Expressed by Suzanne Marinelli,  
Public Access Coordinator

I woke up the other morning reflecting on the fact that I've been working in the PAR for fifteen of our twenty years (though it wasn't until the 2001 session that I became a full-time year-round PAR-ticipant). What a privilege and pleasure these years have been.

Now, to celebrate our 20<sup>th</sup> birthday, we're pausing to say thank you to **YOU**, the many many thousands of people who have used this office, *your* office, over the last two decades. You've phoned us, emailed us, and walked in to ask questions. You've come to our Opening Day and Closing Day receptions, attended our workshops and presentations all across the state, given us

**The Hawaii Senate Congratulates PAR on 20 Years of Service**

"Whereas, the Public Access Room embodies the spirit of democracy and a commitment to the idea that an educated and involved citizenry is essential for a healthy democracy..."

In the many presentations we make across the state each year, we commonly point out that **"Our democracy is only as strong as the use we make of it. Use it or lose it."**

And goodness knows, you've used it, marvelously well. For that, we continue to say *thank you*. Mahalo nui loa. Arigatō gozaimasu. Salamat. Agyamanak. Xièxie nǐ. Muchas gracias. Fa'afetai tele lava. *Muito agradecidos*. Kamsahamnida.

We look forward to many more decades of living in a democracy that is stronger, more far-reaching, and much more precious to us all, because of you. It's a beautiful thing.

*Here's to the next 20 years!*

suggestions about ways that we can be a better public resource, and developed and delivered discerning, intelligent testimony about an astounding cross-section of legislation.

As you've used our resources to learn more about our legislative process, you've inevitably presented *better* testimony to our legislators about the issues that are dear to you. In the process, you've helped them make much better decisions on behalf of us all.

And while you were doing all that, you were doing something that was even more important in the long run – You were, and you still are, keeping our democracy strong.

## Timely Issues

- **Second decking's coming up fast** – all bills should be reported out of their last committee and filed for Third Reading by **Thursday, April 1<sup>st</sup>**.
- Easy way to **spread the word and encourage others to testify** when a measure comes up for a hearing.
  - Make sure you provide colleagues with the bill or resolution number (and links to a measure's status sheet, so they can read it for themselves), and then
  - ask them to SUBMIT TESTIMONY ONLINE by going to [www.capitol.hawaii.gov/emailtestimony](http://www.capitol.hawaii.gov/emailtestimony). They'll just need to enter in the bill or resolution number, fill out the form and include their thoughts in an attached document or in the "comments" box.
- Working on the Legislature's website and have a sudden urge to connect with your Federal legislators? They're just a few clicks away using the **"Links"** page (<http://www.capitol.hawaii.gov/site1/links/links.asp>). Here's the list:
