PAR's May 22 Zoom Workshop: Using the Interim

[Register Now!](#)

Join PAR staff to learn more about how you can use the interim period to continue to advocate for your issues. We'll discuss the Governor's deadlines for bills recently passed by the legislature, and show you how to find new Acts and Laws. We'll also share tips on how you can work with legislators over the interim - working to move forward bills that didn't succeed in 2025 and preparing new ideas for the 2026 legislative session. We'll save time at the end for questions!

The screenshot shows the official website of Governor Josh Green, M.D. The header includes the Governor's name and the Hawaiian phrase 'Ke Ke'ena O Ke Ala'Uina'. The navigation bar has links for Home, About Governor Green, News, Contact Us, Get Involved, Newsletter, and Priorities. The 'CONTACT US' section is highlighted, and the 'COMMENTS ON LEGISLATION' button is circled in red with yellow stars. The button text includes 'Send a position about a bill'. Other buttons include 'Request a Bill Signing Ceremony' and 'CONTACT THE GOVERNOR'.

As of today, there are 287 bills on the Governor's desk pending his action. He can sign the bill into law (making it an Act), allow it to become law without his signature, or consider vetoing the bill. Check out our recent social media post for more

8:00-4:30pm

This week we say goodbye to our session staff Lacey and Alyssa. We appreciated their positive approach to answering questions and helping PAR visitors, as well as the many projects they helped us with. After 5/15 it'll be just Andy and Keanu in room 401. We look forward to helping with legislative-related questions you may have!
