Introduced by: Wakai G

Establishes provisions relating to rooftop solar installation required for new single family residential construction. Provides that on or after January 1, 2022, no building permit shall be issued for a new single family dwelling that does not include a rooftop solar energy generation system, unless the energy resource coordinator approves a variance. Provides that a variance application is only to be accepted if submitted by an architect or mechanical engineer who attests that installation is impracticable due to poor solar resource; installation is cost prohibitive based upon a life cycle cost benefit analysis that incorporates the average residential utility bill and the cost of the new rooftop solar energy generation system with a life cycle that does not exceed 20 years; or a renewable energy technology system is substituted for use as the primary energy source for electricity. Requires a request for a variance to be submitted to the coordinator on an application prescribed by the coordinator and shall include a description of the location of the property and justification for the approval of a variance. Requires a variance to be deemed approved if not denied within 60 working days after receipt of the variance application. Allows the director of business, economic development, and tourism to adopt rules to impose and collect fees to cover the costs of administering variances. -- SB1289 SD2

RELATING TO THE ADMINISTRATION OF JUSTICE.

Introduced by: Rhoads K

Establishes provisions relating to effect of finding of unfitness to proceed for defendants charged with misdemeanors and petty misdemeanors not involving violence or attempted violence; criminal justice diversion program. Provides that in cases where the defendant is charged with a misdemeanor or petty misdemeanor not involving violence or attempted violence, if, at the hearing held or at a further hearing held after the appointment of an examiner the court determines that the defendant lacks fitness to proceed, allows the court to suspend the proceedings and order the defendant to be transferred to the custody of the director of health and placed in a hospital or other suitable facility for further examination and assessment, for up to 7 days; and dismiss the charges with or without prejudice. Requires the director of health to file a petition for involuntary hospitalization in family court if the defendant's clinical team determines that the defendant meets the criteria for involuntary hospitalization. Provides that if the petition is granted, the defendant shall remain hospitalized for a time period as provided by the period of detention provisions. If the defendant's clinical team determines that the defendant does not meet the criteria for involuntary hospitalization, or the family court denies the petition for involuntary hospitalization, or in the anticipation of discharge after involuntary hospitalization, if the clinical team determines that an assisted community treatment plan is appropriate, the psychiatrist or advanced practice registered nurse from the clinical team is required to prepare the certificate for assisted community treatment specified by initiation of proceeding for assisted community treatment provisions. Requires the clinical team to identify a community mental health outpatient program that agrees to provide mental health services to the defendant as the designated mental health program under the assisted community treatment order. Allows the defendant to be held at the appropriate institution pending the family court hearing on the petition for assisted community treatment. If the petition is granted, the defendant is required to be released for treatment with the designated mental health program once the assisted community treatment order is issued and the initial treatment consistent with the assisted community treatment plan is administered to the defendant. Provides that if the petition for assisted community treatment is not granted or the clinical team determines that an assisted community treatment order is not appropriate, the defendant is required to be referred to an appropriate outpatient mental health program for continued support, care, and treatment; and to be discharged from the appropriate institution. -- Amends provisions relating to examination of defendant with respect to physical or mental disease, disorder, or defect excluding fitness to proceed. Requires that in nonfelony cases, if a court based certified examiner is available, the court is required to appoint the court based certified examiner to examine and provide an expedited report solely upon the issue of the defendant's fitness to proceed. Requires the court based certified examiner to file the examiner's report with the court within 2 days of the appointment of the examiner. Requires a fitness determination hearing to be held within 2 days of the filing of the report, or as soon thereafter as is practicable. Provides that in nonfelony cases, where a court based certified examiner is not available, the court is required to appoint 1 qualified examiner to examine and report upon the defendant's fitness to proceed. Allows the court to appoint as the examiner either a psychiatrist or a licensed psychologist. Requires the court in felony cases to appoint 3 qualified examiners to examine and report the defendant's fitness to proceed. Further requires the court to appoint as examiners psychiatrists, licensed psychologists, or qualified physicians, provided that 1 of 3 examiners shall be a psychiatrist or licensed psychologist designated by the director of health from within the department of health. Requires the report of the examination for fitness to proceed is to include a diagnosis of the physical or mental condition of the defendant. -- SB2033 SD1

SB2273 SD2 (SSCR 3208)

RELATING TO TIME SHARING.

Introduced by: Baker R, Moriwaki S

Amends provisions relating to time sharing plans laws. Establishes provisions relating to rescission due to a material change; sales contract. Requires purchasers to have a 7 calendar day right to rescind a sales contract for the purchase of a time share interest from a developer if, prior to closing, there is a material change in the plan. Prohibits this rescission right to apply in the event of any additions, deletions, modifications, and reservations, including but not limited to the merger, addition, or phasing of a plan, made pursuant to the terms of the time share instruments. Allows that upon delivery to a purchaser of a description of the material change on a form prescribed by the director from the developer, the purchaser may let the 7 day rescission period expire without exercising the purchaser's right of rescission, in which case the rescission right shall be terminated. Requires that in order to be valid, a rescission form must be signed by all purchasers of the affected time share interest and postmarked no later than midnight of the 7th calendar day after the date that the purchaser received the rescission form from the developer. In the event of a valid exercise of a purchaser's right of rescission pursuant to this provision, the purchasers shall be entitled to a prompt and full refund of any moneys paid. Requires the rescission form obtained by the developer to be kept on file in possession of the developer and is to be subject to inspection at a reasonable time by the director or the director's staff or agents, for a period of 3 years from the date the receipt or return receipt was obtained. This does not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a time share interest or any applicable common law remedies. Allows a purchaser's sale to be closed when the escrow agent receives a statement from the developer stating that at least 5 days have passed since the purchaser's rescission period has expired, and the developer has not received from the purchaser a rescission form validly exercising the purchaser's right of rescission. Establishes provisions relating to notice of change. Provides that in the event of a pertinent change or a material change to the information until such time as the director accepts an amended disclosure statement disclosing the change, the developer shall provide to each purchaser of a time share interest whose purchase has not yet closed a notice of any such change on a form prescribed by the director. Allows for new sales, the notice of change may be provided with the most recently accepted statement. In all other cases, the notice of change shall be provided by personal delivery or by mail. Allows the developer to continue to sell and to close the sale of time share interests in the time share plan; provided that if the notice of change discloses a material change, the sale may close only when requirements have been met. -- SB2273 SD2

RELATING TO HEALTH INSURANCE.

Introduced by: Baker R

Amends the accident and health or sickness insurance contracts law, benefit societies law, and the health maintenance organizations act (HMOs) by requiring every contract between an insurer and a participating provider of health care services to be in writing and to set forth that in the event the insurer fails to pay for health care services as set forth in the contract, the insured shall not be liable to the provider for any sums owed by the insurer, and if a contract with a participating provider has not been reduced to writing as required, or if a contract fails to contain the required prohibition, the participating provider shall not collect or attempt to collect from the insured sums owed by the insurer. Provides that when an insured receives emergency services from a provider who is not a participating provider in the provider network of the insured, the insurer shall not incur greater out of pocket costs for emergency services than the insured would have incurred with a participating provider of health care services; and use data from a transparent, 3rd party database upon which to calculate out of network reimbursements for emergency services. Further provides any dispute between an insurer and provider that arises pursuant to this provision shall be submitted to mandatory mediation to be overseen by the insurance division. -- Amends provisions relating to disclosure of health care coverage and benefits by changing it to disclosure of information. Requires all insurers to provide current and prospective insureds with written disclosure of coverages and benefits, including information on coverage principles and any exclusions or restrictions on coverage; with regard to out of network coverage for non emergency services, the amount that the insurer will reimburse under the rate calculation for out of network health care specified; and examples of anticipated out of pocket costs for frequently billed out of network health care services; and information in writing and through an internet website that reasonably permits an insured or prospective insured to estimate the anticipated out of pocket cost for out of network health care services in a geographical area based upon the difference between what the insurer will reimburse for out of network health care services and the rate calculation specified for out of network health care services. Provides that the information provided shall be current, understandable, and available prior to the issuance of a policy, and upon request after the policy has been issued; provided that nothing in this provision shall prevent an insurer from changing or updating the materials that are made available to insureds. RELATING TO PHARMACY BENEFIT MANAGERS.

Introduced by: Baker R

Amends provisions relating to department of human services law. Establishes provisions relating to pharmacy benefit managers; contracting pharmacies; reimbursements; maximum allowable cost basis; prohibition. Provides that no contract for managed care entered into pursuant to this provision, after June 30, 2020, shall contain a provision that authorizes a pharmacy benefit manager to reimburse a contracting pharmacy on a maximum allowable cost basis in accordance with provisions relating to pharmacy benefit manager; maximum allowable cost or the pharmacy benefit managers law. Further provides that any provision of a contract for managed care authorized pursuant to this provision to reimburse a contracting pharmacy for a drug on a maximum allowable cost basis in accordance with provisions relating to pharmacy benefit manager; maximum allowable cost or the pharmacy benefit managers law that was in effect on or before June 30, 2020, shall be void. -- Establishes provisions relating to pharmacy benefit manager business practices; prohibitions; independent or rural pharmacy reimbursement rate. Prohibits a pharmacy benefit manager from penalizing, requiring, or providing financial incentives, including variations in premiums, deductibles, copayments, or coinsurance, to covered persons as incentives to use specific retail, mail service pharmacy, or other network pharmacy provider in which a pharmacy benefit manager has an ownership interest or that has an ownership interest in a pharmacy benefit manager. Prohibits a pharmacy benefit manager to engage in unfair methods of competition pursuant to the monopolies; restraint of trade law, or unfair practices pursuant to the fair trade regulations law, in the conduct of pharmacy benefit management, as defined in provisions relating to definition under the pharmacy benefit managers law. Provides that a violation of this provision by a pharmacy benefit manager shall constitute a separate violation under the monopolies; restraint of trade law and fair trade regulations law. Further prohibits a pharmacy benefit manager to retain any portion of spread pricing. Provides that a pharmacy benefit manager shall not reimburse a 340B pharmacy differently than any other network pharmacy based on its status as a 340B pharmacy. Defines a 340B pharmacy to mean a pharmacy that is authorized to purchase drugs at a discount under Title 42 US Code section 256b. Provides that a pharmacy benefit manager shall not reimburse an independent or rural pharmacy an amount less than the rural rate for each prescription drug; provided that pharmacy benefit managers shall file with the commissioner a list of the rural rates for each prescription drug; and a pharmacy benefit manager shall be prohibited from changing the rural rate without providing 30 days' notice to all contracting independent or rural pharmacies of any change in the rural rate and filing a report with the commissioner identifying the rural rate changes. -- Amends provisions relating to the pharmacy benefit managers law. Establishes gag clause prohibited; and data calls. -- Establishes provisions relating to annual transparency report; commissioner report to the legislature. Requires each pharmacy benefit manager registered under this law to submit transparency report containing data from the preceding calendar year to the insurance commissioner no later than September 1, 2020, and annually thereafter to include specified requirements. Requires the insurance commissioner to perform an annual examination specified requirements. Report to the legislature. Redefines pharmacy benefit manager to mean any person, business, or entity that performs pharmacy benefit management, including but not limited to a person or entity under contract with a pharmacy benefit manager to perform pharmacy benefit management as defined in this provision, on behalf of a managed care company, nonprofit hospital or medical service organization, insurance company, 3rd party payor, or health program administered by the State and that is duly licensed

RELATING TO FAMILY COURTS.

Introduced by: Riviere G

Amends provisions relating to criteria and procedure in awarding custody and visitation; best interest of the child. Requires that in every proceeding where there is at issue a dispute as to the custody of a child, a determination by the court that family violence has been committed by a parent, a parent has a felony conviction for a violent or sexual offense in which the victim was a minor, or a parent is required to be registered as a sex offender raises a rebuttable presumption that it is detrimental to the child and not in the best interest of the child to be placed in sole custody, joint legal custody, or joint physical custody with the perpetrator of family violence, the parent that has a felony conviction for a violent or sexual offense in which the victim was a minor, or the parent that is required to register as a sex offender. In addition to other factors that a court shall consider in a proceeding in which the custody of a child or visitation by a parent is at issue, and in which the court has made a finding of family violence by a parent, a finding that a parent has a felony conviction for a violent or sexual offense in which the victim was a minor, or a finding that the parent is required to register as a sex offender. Prohibits a child to be placed in a home in which a person resides who has committed family violence, has a felony conviction for a violent or sexual offense in which the victim was a minor, or is required to register as a sex offender, nor have unsupervised visitation with that person, unless the court states the reasons for its findings in writing or on the record. Allows a court to award visitation to a parent who has committed family violence or has a felony conviction for a violent or sexual offense in which the victim was a minor only if the court finds that there is no significant risk to the child. Prohibits a person to be granted physical or legal custody of, or unsupervised visitation with, a child if anyone residing in the person's household is required, as a result of a felony conviction in which the victim was a minor, to register as a sex offender unless the court finds there is no significant risk to the child and states its reasons in writing or on the record. The child may not be placed in a home in which that person resides, nor permitted to have unsupervised visitation with that person, unless the court states the reasons for its findings in writing or on the record. Provides that the fact that a child is permitted unsupervised contact with a person who is required, as a result of a felony conviction in which the victim was a minor, to register as a sex offender shall be prima facie evidence that the child is at significant risk. Prohibits a person to be granted custody of, or unsupervised visitation with, a child if the person has been convicted of murder in the 1st degree and the victim of the murder was the other parent of the child who is the subject of the order, unless the court finds that there is no risk to the child's health, safety, and welfare, and states the reasons for its findings in writing or on the record. In making its findings, the court may consider, among other things: the wishes of the child, if the child is of sufficient age and capacity to reason so as to form an intelligent preference; credible evidence that the

SB2718 SD1 (SSCR 3022)

RELATING TO THE SEXUAL ASSAULT OF AN ANIMAL.

Introduced by: Gabbard M

Establishes provisions relating to the sexual assault of an animal. Provides that a person commits the offense of sexual assault of an animal if the person knowingly subjects an animal to sexual contact; possesses, sells, transfers, purchases, or otherwise obtains an animal with the intent to subject the animal to sexual contact; organizes, promotes, conducts, or participates as an observer in an act where an animal is subject to sexual contact; causes, coerces, aids, or abets another person to subject an animal to sexual contact; permits sexual contact with an animal to be conducted on any premises under the person's charge or control; advertises, solicits, offers, or accepts the offer of an animal with the intent that it be subjected to sexual contact in the State; or subjects an animal to sexual contact in the presence of a minor. Provides that this provision exempts veterinary medicine; artificial insemination of animals for the purpose of procreation; animal husbandry; or conformation judging; and customary care of an animal by its owner. Sexual assault of an animal is a class C felony; provided that if the offense subjected a minor to sexual contact with an animal or was committed in the presence of a minor the offense is a class B felony and each violation of this provision shall constitute a separate offense. Requires that upon conviction, guilty plea, or plea of nolo contendere for any violation of this provision, the defendant is to be ordered to surrender or forfeit the animal whose sexual assault was the basis of the conviction or plea to the custody of the animal service contractor in the county where the offense took place for the time and under the conditions ordered by the court; surrender or forfeit any other animals in the defendant's possession, custody, or control to the animal service contractor in the county where the offense took place for the time and under the conditions ordered by the court; provided that there is substantial evidence that the animals are being abused in violation of this provision; reimburse the animal service contractor in the county where the offense took place for reasonable costs incurred to care for, feed, house, and medically treat any animal sexually assaulted under this provision; attend an appropriate treatment program or obtain psychiatric or psychological counseling, at the defendant's expense; and make restitution to the owner of the animal, including reimbursement for any expenses incurred for medical treatment or rehabilitation; provided that the defendant is not the owner of the animal whose sexual assault was the basis of the conviction or plea. Prohibits the defendant from harboring, owning, possessing or exercising control over any animal; residing in any household where animals are present; or engage in any occupation, whether paid or unpaid, or participating in a volunteer position at any establishment where animals are present, for the length of time that the court deems reasonable for the protection of all animals but not less than 5 years after the person's release from imprisonment or court supervision. Provides that prosecution under this provision does not preclude prosecution under any other law. Nothing in this provision is intended to affect any civil remedies available for a violation of this provision. Requires that violations of this law, including the sexual assault of any type of animal, shall be subject to the search, impound, and forfeiture provisions relating to cruelty to animals in the 2nd degree. -- SB2718 SD1

SB2808 SD1 (SSCR 2922)

RELATING TO TRANSPORTATION NETWORK COMPANIES.

Introduced by: Inouye L, Harimoto B, Fevella K

Establishes the transportation network companies law. Defines transportation network company to mean an entity that uses a digital network or software application service to connect passengers to transportation network company drivers; provided that the entity does not control, direct, or manage the transportation network company vehicles or transportation network company drivers that connect to its digital network, except where agreed to by written contract; and is not a taxicab association or a for hire vehicle owner. Allows a company to continue operating until the director of transportation has established a transportation network companies permitting process and sets a registration deadline. Requires the director of transportation to issue a permit to each applicant that satisfies the requirements for a transportation network company and collect an annual permit fee of ____ dollars from the applicant prior to the issuance of a permit. Establishes fare transparency, agent for service, identification of transportation network company vehicles and drivers requirements. Requires the transportation network company to conduct national and local criminal background checks for each applicant and each driver on an annual basis. Requires the transportation network company to adopt a policy of non discrimination on the basis of destination, race, color, national origin, religious belief or affiliation, sex, disability, age, sexual orientation, or gender identity with respect to riders and potential riders and shall notify the transportation network company drivers of the policy. Provides that in addition to any policy established, transportation network company drivers shall comply with all applicable laws regarding nondiscrimination against riders or potential riders on the basis of destination, race, color, national origin, religious belief or affiliation, sex, disability, age, sexual orientation, or gender identity; and transportation network company drivers shall comply with all applicable laws to accommodate service animals. Provides that not more than annually, the department of transportation shall have the right to visually inspect a sample of records maintained by a transportation network company for the sole purpose of verifying that a transportation network company complies with this law. Requires the transportation network companies law to apply uniformly throughout the State and in all political subdivisions of the State. RELATING TO LAW ENFORCEMENT STANDARDS BOARD.

Introduced by: Kouchi R (BR)

Amends provisions relating to the law enforcement standards board; establishment. Requires the board to consist of the following voting members; 9 ex officio individuals or their designees, 5 law enforcement officers, and 4 members of the public. Adds designees for the attorney general; director of public safety; and the chiefs of police of the 4 counties. Requires the 5 law enforcement officers to be persons other than the chiefs of police or designees and shall consist of 4 county law enforcement officers, 1 from each of the 4 counties; and 1 state law enforcement officer. Requires each law enforcement officer to have at least 10 years of experience as a law enforcement officer, shall be appointed by the governor and shall serve without the advice and consent of the senate. Requires the 4 members of the public to serve without the advice and consent of the senate. Requires the law enforcement officers and the members of the public on the board to serve for a term of 4 years. -- Amends provisions relating to the powers and duties of the board. Requires the board to consider studies relevant to the board's objectives, including the study that examines consolidating the law enforcement activities and responsibilities of various state divisions and agencies under a single, centralized state enforcement division or agency, conducted pursuant to Act 124, session laws of 2018; and conduct its own study to evaluate how to efficiently and effectively satisfy its duties in accordance with the law. -- Amends provisions relating to standards; certification. Provides that no person may be appointed as a law enforcement officer after June 30, 2023, unless the person meets specified requirements. Provides that beginning on July 1, 2023, the law enforcement standards board shall issue a certification to an applicant who meets the requirements of this provision or who has satisfactorily completed a program or course of instruction in another jurisdiction that the board deems to be equivalent in content and quality to the requirements of this provision. -- Amends provisions relating to employment of law enforcement officers. Prohibits a person to be appointed or employed as a law enforcement officer by any county police department, the department of public safety, the department of transportation, the department of land and natural resources, the department of taxation, or the department of the attorney general, after June 30, 2023, unless the person possesses a valid certification issued by the board. Provides that this provision shall not apply to a person if the person entered into employment with the applicable county police department or state department before July 1, 2023, and termination of employment would violate any valid collective bargaining agreement. -- Amends Act 220, session laws of 2018, which establishes the law enforcement standards law. Repeals the provision that requires the board established under this Act to finalize its standards and certification process by July 1, 2019. Appropriation into and out of the law enforcement standards board special fund for 1 permanent administrator position (1.0 FTE) subject to civil service law, and 1 permanent clerical position (1.0 FTE) subject to civil service law; and administration, travel, and operating costs of the board. RELATING TO QUALIFIED DOMESTIC RELATIONS ORDERS.

Introduced by: Kouchi R (BR)

Amends provisions relating to distribution of property in a divorce action. Requires the employees' retirement system to review an order or proposed order for compliance with the requirements imposed by this provision. Allows the notification to also be provided to the member, former member with vested benefit status, retirant, or alternate payee. Provides that the system's notification is advisory, and shall not constitute a determination that a proposed domestic relations order is or is not a Hawaii domestic relations order. Provides that if a member or former member with vested benefit status terminates membership in the system by withdrawal of contributions or hypothetical account balance, the system shall pay all or a portion of the amount withdrawn to any alternate payee as directed by a Hawaii domestic relations order. Provides that if after terminating membership in the system by withdrawal of contributions or hypothetical account balance, the former member later resumes membership in the system, the system shall pay to an alternate payee no portion of any benefits that result from the resumption of membership, even if those benefits result in part from reinstatement of service credit initially credited during the marriage. Provides that payments made to alternate payees according to the terms of Hawaii domestic relations orders are payments received by the retirant for purposes of provisions relating to election of retirement allowance option and the benefit that the retirant received for purposes of provisions relating to election of retirement allowance option. Requires the priority of Hawaii domestic relations orders to be determined by the order that the certified copies of domestic relations orders are received by the system for qualification as a Hawaii domestic relations order, and not by the order that domestic relations orders are determined to be Hawaii domestic relations orders, the order in which the domestic relations orders are entered by the court, the date the complaint for divorce is filed, the date upon which an order of divorce is entered, or the date of marriage. -- SB2868 SD1

Amends provisions relating to Hawaii housing finance and development corporation law. Designates sections 201H-31 to 201H-34 as subpart A, entitled General Provisions; and sections 201H-35 to 201H-70 as subpart B, entitled Development Programs. -- Establishes provisions relating to the residential leasehold program. Allows the corporation, on behalf of the State or with eligible developers and contractors, to develop residential leasehold projects on state lands set aside by the governor or leased by any state department or agency to the corporation. Requires residential leasehold projects developed under this provision to have preferences for lower priced housing that is designed to address the State's housing shortage. Requires the corporation to adopt rules necessary for the purposes of this provision; provided that the rules shall address eligibility criteria for homebuyers, the process and criteria for the development of residential leasehold projects, restrictions on the use, sale, and transfer of dwelling units, residential leasehold terms, and other major provisions of the residential leasehold program. Establishes provisions relating to commercial, industrial, and other uses; and provisions relating to additional powers. -- Amends provisions relating to definition of public lands. Exempts from the definition of public lands, lands set aside by the governor or leased by any state department or agency to the Hawaii housing finance and development corporation for the primary purpose of developing affordable housing or lands to which the Hawaii housing finance and development corporation in its corporate capacity holds title. -- Amends provisions relating to legislative approval of sale or gift of lands. Adds land that is set aside by the governor to the Hawaii housing finance and development corporation, land leased to the Hawaii housing finance and development corporation by any department or agency of the State, or land to which the Hawaii housing finance and development corporation in its corporate capacity holds title. -- Requires the corporation to submit a report to the legislature that identifies state lands that may be developed for multi unit dwellings; includes the estimated cost of planning, designing, and constructing multi unit dwellings on the lands identified in this provision, including the costs of installing necessary infrastructure; and proposes a priority listing of the lands identified in this provision. -- Requires the corporation to submit a report to the legislature that addresses housing concerns, including but not limited to producing enough housing units to meet the demand of Hawaii residents; ensuring the lowest possible sales price of housing units; limiting housing units to Hawaii residents who are owner occupants and who own no other real property; maximizing walkability and minimizing private vehicles and traffic; minimizing short term rentals; including the interest of native Hawaiians; ensuring compliance with provisions relating to wages and hours of employees on public works, for construction of leasehold property; maximizing availability to Hawaii residents at all income levels; minimizing the financial burden to state taxpayers; ensuring the excellence of maintenance and repairs; prioritizing, as residents in the housing units, persons who are impacted by the development; and preventing windfall profits at every resale to buyers who resell their unit. -- Appropriation into and out of the dwelling unit revolving fund to the corporation for the establishment of regional infrastructure for the primary purpose of supporting development of housing on lands located within 1 mile of a rail transit station, including lands owned by the University of Hawaii that are near or adjacent to the University of Hawaii West Oahu campus. -- Appropriation out of the dwelling unit revolving fund to the corporation for the establishment of infrastructure to support the development for affordable housing in counties with a population of less than 500,000. -- Appropriation out of the dwelling unit revolving fund to the corporation to establish 3 full time equivalent (3.0 FTE) project manager positions; provided that the amount appropriated and positions authorized pursuant to this section shall be included in the base budget for the corporation in future fiscal bienniums. -- Establishes provisions relating to penalty under the land use commission law. Provide that any petitioner for an amendment to a district boundary that after a hearing conducted in accordance with land use commission rules and administrative procedure law is found to have violated a condition of the decision and order of the land use commission with regard to a district boundary amendment or any representation made therein; or neglects, fails to conform to, or comply with this law or any lawful order of the land use commission, may be subject to a civil penalty not to exceed 50,000 dollars per day that the violation, neglect, or failure occurs, or reversion pursuant to this law, but not both. Requires the civil penalty to be assessed by the land use commission after a hearing conducted in accordance with administrative procedure law. -- Amends provisions relating to development of property. Allows the corporation to use the process established pursuant to provisions relating to amendments to district boundaries to develop lands having an area between 15 acres and 25 acres. -- Amends provisions relating to amendments to district boundaries. Requires district boundary amendments of all other lands greater than 15 acres to be processed by the land use

SENATE BILLS WHICH PASSED THIRD READING

commission pursuant to provisions relating to amendments to district boundaries involving land areas, except as provided in this provision. Allows a person to petition the appropriate county decision making authority in the county in which the land is situated for a change in the boundary of a district involving lands that are not designated as conservation lands or important agricultural lands, or with soil classified by the land study bureau's detailed land classification as overall (master) productivity rating class A or B and comprising 25 acres or less; provided that the majority of the development for which the boundary amendment is sought shall be for affordable housing and shall prioritize and give preference to projects that are able to deliver more lower priced housing; provided further that the district boundary amendments shall be limited to lands contiguous to the urban district. Prohibits the parceling of lands for development for the purposes of this provision. Provides that if lands that have been parceled or proposed to be parceled and are proposed for reclassification, the petition for reclassification shall be processed as lands greater than 15 or 25 acres. Provides that before a county land use decision making authority grants a petition for reclassification pursuant to this provision, the county land use decision making authority shall make a clear finding, based on the evidence submitted, that the land subject to a petition for reclassification has not been parceled or proposed to be parceled. -- Amends provisions relating to amendments to district boundaries involving land areas greater than 15 acres. Allows the commission to provide by condition that absent substantial commencement of use of the land in accordance with representations made to the commission, or absent substantial compliance with the conditions imposed under this law, the commission, on its own motion or upon motion by any part or interested person, shall issue and serve upon the party bound by the condition an order to show cause why the property should not revert to its former land use classification or be changed to a more appropriate classification. Provides that if the commission finds, after a hearing conducted in accordance with commission rules and provisions relating to administrative procedure, that the petitioner's failure to adhere to or comply with the representations or conditions does not warrant reversion to the land's former land use classification, including by reason of ineligibility, or if there has been substantial commencement of use of the land, the commission may record a notice of noncompliance on the land with the bureau of conveyances; modify the existing conditions or impose new conditions to ensure compliance with the decision and order; or provide by decision and order that the petitioner or its successor in interest shall be subject to the civil penalty set forth in this provision. Provides that all conditions imposed under this provision, if any, shall run with the land and be recorded in the bureau of conveyances. Allows all motions requesting an order to show cause based on an alleged failure to perform a condition, representation, or commitment on the part of a petitioner, to be filed only by the commission or a person who was a party to the proceedings, including successful intervenors, that resulted in the reclassification. -- Amends provisions relating to the review of proposed projects. Allows the department to delegate responsibility for review and comment of projects pursuant to this provision, and any administrative rules adopted thereunder, to the respective counties; provided that the department has certified that the county has adopted an ordinance to govern the county's review process in accordance with the procedures set forth in this law and the department's applicable administrative rules; hired qualified professional staff who meet standards established by the department to conduct the reviews; established sufficient internal organizational controls to ensure that the qualified professional staff can make independent determinations regarding the effects of projects on historic properties; ensured that the qualified professional staff can function in a manner that does not create a conflict of interest or an appearance of a conflict of interest; and provided for appropriate public notification in a manner consistent with standards established by the department; provided that the delegation of authority shall automatically be suspended or terminated if the county fails to retain its qualified professional staff or if it becomes apparent that the county does not have sufficient staffing capacity to complete the delegated reviews in a timely manner. Prohibits the department to delegate reviews or comments to the county for projects affecting properties listed in the Hawaii register of historic places or the national register of historic places, or for projects subject to review under provisions relating to prehistoric and historic burial sites. Prohibits the department to delegate any of the responsibilities established under historic preservation law as it relates to burials; nor shall the authority of the burial councils be diminished in any way. Allows the department to establish a program to certify 3rd party individuals and organizations to review documents prior to submission of the documents to the department for review. Requires the department to maintain a list of certified 3rd party reviewers. Requires a review by a 3rd party to ensure that the information submitted is complete and complies with the department's documentation requirements and that any

RELATING TO VACANCIES.

Introduced by: Luke S, Cullen T, Nishimoto S, Ohno T, Todd C, Yamashita K, Belatti D, Brower T, Morikawa D, Lee C, Nakashima M

Amends provisions relating to US representative. Requires when a vacancy occurs in the representation of this State in the US house of representatives, the chief election officer shall issue a proclamation, no later than 14 days after the vacancy occurs, for an election to fill the vacancy by special election to be conducted by ranked choice voting. Requires the proclamation to contain a statement that votes shall be cast and tabulated using ranked choice voting and include an explanation of ranked choice voting. Establishes procedures to be used to determine the winner of the special election conducted by ranked choice voting. Provides that tabulation of votes shall proceed in rounds; in each round, the number of votes for each continuing candidate shall be counted, with each continuing ballot counting as 1 vote for its highest ranked continuing candidate for the round; inactive ballots shall not be counted for any continuing candidate; and the round shall end with 1 of 2 potential outcomes which are that if there are 2 or fewer continuing candidates, the candidate with the most votes is declared the winner of the election or if there are more than 2 continuing candidates, the last place candidate is defeated and a new round begins. Provides that a tie between candidates for the most votes in the final round or a tie between last place candidates in any round shall be decided by lot, and the candidate chosen by lot shall be defeated. Allows the office of elections to modify a ranked choice voting ballot and tabulation; provided that the number of allowable rankings may be limited to no fewer than 6 and 2 or more candidates may be defeated simultaneously by batch elimination in any round of tabulation. -- HB0626 SD2

RELATING TO EDUCATION.

Introduced by: Woodson J, Thielen C, Brower T, Nishimoto S, Kobayashi D, Tarnas D, Johanson A, Ichiyama L, Hashem M, Eli S, Todd C

Amends provisions relating to the department of education. Provides that the department shall not establish general education prekindergarten (pre kindergarten, pre-kindergarten) classrooms; provided that the department may establish special education, Title I funded and private partnership funded prekindergarten classrooms. Provides that under policies established by the early learning board, the memorandum of understanding between the executive office on early learning and department shall include that administrative decisions on the selection of prekindergarten classroom sites, administrator, teacher and staff professional learning, prekindergarten classroom facilities standards, developmentally appropriate furniture and equipment, and monitoring the quality of the instruction and outcomes for students shall be the responsibility of the office. Allows the office to extend the resources and training supports to other state funded prekindergarten classroom teachers and administrators as part of an expansion of early learning in a complex area; provided that this may include complex area resource teachers as part of the joint support efforts with the office. Provides that principals shall be able to include the office prekindergarten classroom teachers in the school wide professional development to ensure that initiatives, such as social emotional learning, digital reading programs, cultural and place based instructional strategies, and transition to kindergarten, are implemented in a comprehensive and aligned manner. Provides that the functions and authority exercised by the department relating to state funded prekindergarten programs, except for special education, Title I, and private partnership funded prekindergarten programs, shall be delineated in a memorandum of understanding between the office and department. Provides that the administrative authority for the office shall be related to services for curriculum, instruction, assessment, and professional learning support. Provides that the department shall have oversight for the general services of the facilities, daily operations of the prekindergarten classroom, and support for the inclusion of the teacher and educational assistant in the school wide initiatives, participation in the school programs, and parent participation and engagement.

-- Amends provisions relating to duties of the superintendent, department powers and duties, and weighted student formula. -- Appropriation to the office for early education programs administered by the office. -- Establishes provisions relating to Title I funded prekindergarten under the department of education. Requires the department to adhere to the quality standards incorporated by the executive office on early learning public prekindergarten program. Requires the department to work with the office to develop a structure to provide support for Title I funded prekindergarten classrooms on curriculum, instruction, assessment, family engagement, and transition of children in and out of the prekindergarten classroom. Requires the structure of support to be included in the memorandum of understanding between the office and department to provide support for teachers and principals of Title I funded prekindergarten classrooms. Requires the office to include the Title I funded prekindergarten classroom data collected as part of its early learning monitoring report. -- Appropriation to the office to provide professional learning support for teachers and principals of Title I funded prekindergarten classrooms in the department. -- Amends provisions relating to early learning system. Redefines at risk children to include children who are placed through their individualized education programs in a general education setting; who are in foster care or who are homeless. RELATING TO LEASE EXTENSIONS ON PUBLIC LAND.

Introduced by: Saiki S (BR)

Establishes provisions relating to commercial, industrial, or resort leases; extension of term. Allows the board of land and natural resources to extend the rental period of a lease of public lands for commercial use, industrial use, resort use, or government use upon the approval by the board of a development agreement proposed by the lessee or by the lessee and developer to make substantial improvements to the existing improvements for leases that have not been assigned or transferred within 10 years prior to receipt of an application for a lease extension submitted. Requires the lessee or the lessee and developer to submit to the board the plans and specifications for the total development proposed prior to entering into a development agreement. Requires the board to review the plans and specifications and determine whether the development proposed in the development agreement is of sufficient worth and value to justify the extension of the lease; the estimated period of time to complete the improvements and expected date of completion of the improvements; and the minimum revised annual rent based on the fair market value of the lands to be developed, as determined by an appraiser for the board, and if deemed appropriate by an appraiser, the appropriate percentage of rent where gross receipts exceed a specified amount. Prohibits a lease extension to be approved until the board and the lessee or the lessee and developer mutually agree to the terms and conditions of the development agreement. Prohibits construction to commence until the lessee or the lessee and developer have filed with the board a sufficient bond conditioned upon the full and faithful performance of all the terms and conditions of the development agreement. Requires that any extension of a lease to be based upon the substantial improvements to be made and shall be for a period not longer than 40 years. Prohibits a lease to be transferable or assignable throughout the 1st 10 years of the extended term, except by devise, bequest, or intestate succession. Provides that the prohibition on assignments and transfer of leases includes a prohibition on conveyances of leases and a prohibition on the sale or change in ownership, by more than 20 per cent, of a lessee that is a company or entity. Allows the lease to be subleased, subject to approval by the board during subsequent periods of the extended term of the lease. Requires the applicant for a lease extension to pay all costs and expenses incurred by the department in connection with the processing, analyzing, or negotiating any lease extension request, lease document, or development agreement. RELATING TO CRIMINAL PRETRIAL REFORM.
Introduced by: Nishimoto S, Takayama G, Lee C, Saiki S, San Buenaventura J, Luke S, Belatti D
Amends provisions relating to intake service centers. Changes the requirement for centers to conduct internal pretrial risk assessments by adding preparation and providing a bail report to the court on adult offenders and reduces the time period from 3 working days to 2 working days of admission to a community correctional center. Redefines pretrial risk assessment to include risk of violence or harm to any person or general public. Requires the pretrial risk assessment tool and procedures associated with its administration shall be periodically reviewed and subject to further validation at least every 5 years to evaluate the effectiveness of the tool and the procedures associated with its administration; the findings of any such review shall be publicly reported. Further requires the centers to make inquiry with the defendant concerning their financial circumstances and report any information in the bail report, provided that the department of public safety's pretrial services officers shall be provided limited access for the purpose of viewing other state agencies' relevant data related to an offender's employment wages and taxes. Provides pretrial bail reports within 2 working days to the courts on adult offenders that are consented to by the defendant or that are ordered by the court. Provides that a complete copy of the executed pretrial risk assessment delineating the scored items, the total score, any administrative scoring overrides applied, and written explanations for administrative scoring overrides shall be included in the report. Requires a copy of a pretrial bail report to be provided to the offender or the offenders counsel. Replaces the term defendant with offender. Provides that in accordance with applicable laws, persons, or entities doing research, requires the research entity must be approved and contracted by the department of public safety to protect the confidentiality of the information, insofar as the information is not a public record. -- Amends provisions relating to arrest, how made. Provides that in any case in which it is lawful for a police officer to arrest a person without a warrant for a non violent class C felony, any misdemeanor, any petty misdemeanor, or violation, the police officer may, exercise discretion and issue a citation, if the police officer finds and is reasonably satisfied that the person will appear in court at the time designated; to include the offense does not involve domestic violence, sexual assault, robbery, or any other offense enumerated in offenses against the person law. -- Amends provisions relating to bail; bond to keep the peace law. Provides that upon formal charge and detention, a defendant shall have the right to a prompt hearing concerning release or detention; and whether any condition or combination of conditions will reasonably ensure, the defendant's appearance as required; and the safety of any other person and the community. Provides that any defendant arrested and charged with a traffic offense, a violation, a non violent petty misdemeanor offense, or a non violent misdemeanor offense shall be released on the defendant's own recognizance under specified conditions. Provides that if the defendant

is unable to post bail in the amount of 99 dollars or less, the director of public safety shall be authorized to release the defendant; provided that electronic defendant monitoring devices are used. Redefines serious crime to mean murder or attempted murder in the 1st degree, murder or attempted murder in the 2nd degree, a class A felony, or a class B or C felony involving violence or threat of violence to any person. Redefines bail to include release on one's own recognizance, supervised release, and conditional release. Provides that there shall be a rebuttable presumption that a person charged with a criminal offense, other than a serious crime, shall be released or admitted to bail under the least restrictive conditions required to ensure the person's appearance and to protect the public, unless the prosecution demonstrates by clear and convincing evidence of serious risk. Provides that upon the defendant's release on bail, recognizance, or supervised release, the court may enter an order to include requiring the defendant to submit to the use of electronic monitoring and surveillance; and requiring the confinement of the defendant in the defendant's residence. Requires that if the court makes these findings, the court shall order the release of the person in accordance with provisions relating to conditions of release on bail, recognizance, or supervised release under the least restrictive conditions required to ensure the defendant's appearance and to protect the public. Provides that any person for whom a monetary amount of bail has been set by the police, other law enforcement agency, or the court shall be permitted to post the bail amount at the police department, law enforcement agency, or community correctional center where the person is detained; the monetary bail shall be payable on a 24 hours a day, 7 days a week basis; and upon posting or payment of bail, the person, the person's representative, or the person's agent shall be provided a bail receipt, and the person shall be released from custody. Provides that the court shall impose the least restrictive non financial conditions required to ensure the defendant's appearance and to protect the public. -- Establishes provisions relating to relevant community correctional center; periodic reviews of pretrial detainees. Requires the relevant community correctional centers, on a periodic basis but no less frequently than once every 3 months, to conduct reviews of pretrial detainees to reassess whether a detainee should remain in custody or whether new information or a change in circumstances warrants reconsideration of a detainee's pretrial release or supervision; each review conducted to transmit its findings and recommendations to the appropriate court, prosecuting attorney, and defense counsel; and if a motion to modify bail is filed pursuant to a recommendation made a hearing shall be scheduled at which the court shall consider the motion. -- Establishes the criminal justice research institute law. Establishes within the office of the chief justice a criminal justice research institute dedicated to examining all aspects of the criminal justice system, for the purpose of assisting the State in understanding the system in a more comprehensive way and ensuring the protection of individual rights, increasing efficiencies, and controlling costs. Requires the institute to have the authority to examine all areas of the criminal justice system, including police, prosecutors, defense counsel, courts, pretrial services, probation and parole, jails, and prisons, as well as examine the manner in which related areas, including mental health services and drug treatment services, intersect with the criminal justice system; overseen by a board of directors, which shall consist of the chief justice, a representative of the office of the governor, a member of the legislature, and the director of public safety; and establish and maintain a centralized statewide criminal pretrial justice data reporting and collection system. Annual report to the legislature. Appropriation to the judiciary for the establishment and staffing of the criminal justice research institute, including the hiring of 1 fulltime equivalent (1.0 FTE) director, 2 full time equivalent (2.0 FTE) assistant researchers and 1 full time equivalent (1.0 FTE) clerical assistant, and for any necessary facilities and equipment. -- Amends provisions relating to conditions of release on bail, recognizance, or supervised release. Adds the requirement that the court may enter an order the defendant to submit to the use of electronic monitoring and surveillance; and the confinement of the defendant in the defendant's residence. Provides that the judiciary, in consultation with the department of public safety, shall develop and adopt a policy for courts to use when assessing whether a defendant's risk of non appearance or recidivism may be mitigated by home detention or electronic monitoring under specified conditions. Appropriation. Report to the legislature. Requires the department of public safety to revise the pretrial risk assessment processes currently used by its intake service centers with respect to offenses committed against persons, including offenses involving domestic violence and violation of restraining orders and protective orders, to ensure integration of victims' rights into the criminal pretrial system by requiring considerations of specified factors in making pretrial release recommendations no later than December 31, 2020. Amends provisions relating to emergency examination and hospitalization. Provides that a patient who is delivered for emergency examination and treatment to a psychiatric facility or a behavioral health crisis center specifically designed and staffed to provide care, diagnosis, or treatment for persons in crisis who are experiencing a mental illness or substance use disorder shall be provided an examination, which shall include a screening to determine whether the criteria for involuntary hospitalization listed in provisions relating to involuntary hospitalization criteria persists, by a licensed physician, medical resident under the supervision of a licensed physician, or advanced practice registered nurse without unnecessary delay, and shall be provided such treatment as is indicated by good mental health practice. Provides that if, after the examination, screening, and treatment, the licensed physician, medical resident under the supervision of a licensed physician, or advanced practice registered nurse determines that the involuntary hospitalization criteria persist, then a psychiatrist, a psychologist, or an advanced practice registered nurse who has prescriptive authority and who holds an accredited national certification in an advanced practice registered nurse psychiatric specialization shall further examine the patient to diagnose the presence or absence of a mental illness or substance use disorder, further assess the risk that the patient may be dangerous to self or others, and assess whether or not the patient needs to be hospitalized. Further provides that if it is determined that hospitalization is not needed, an evaluation pursuant to provisions relating to examination for assisted community treatment indication shall be completed. Provides that if, after examination, the licensed physician, psychiatrist, advanced practice registered nurse, or advanced practice registered nurse with prescriptive authority and who holds an accredited national certification in an advanced practice registered nurse psychiatric specialization determines that the involuntary hospitalization criteria set forth in provisions relating to involuntary hospitalization criteria are not met or do not persist and the evaluation pursuant to provisions relating to examination for assisted community treatment indication, where required, has been completed, the patient shall be discharged expediently unless the patient is under criminal charges, in which case the patient shall be returned to the custody of a law enforcement officer. Provides that if the psychiatrist, psychologist, or advanced practice registered nurse with prescriptive authority and who holds an accredited national certification in an advanced practice registered nurse psychiatric specialization who performs the emergency examination has reason to believe that the patient is mentally ill or suffering from substance abuse; imminently dangerous to self or others; and in need of care or treatment, or both; the psychiatrist, psychologist, or advanced practice registered nurse with prescriptive authority and who holds an accredited national certification in an advanced practice registered nurse psychiatric specialization shall direct that the patient be hospitalized on an emergency basis or cause the patient to be transferred to another psychiatric facility for emergency hospitalization, or both. Provides that if the patient is under criminal charges, the patient shall be returned to the custody of a law enforcement officer. Provides that in any event, the patient shall be released within 48 hours of the patient's admission to a licensed psychiatric facility, unless the patient voluntarily agrees to further hospitalization, or a proceeding for court ordered evaluation or hospitalization, or both, is initiated as provided in provisions relating to initiation of proceeding for involuntary hospitalization. Street from Kinau Street to its intersection with South King Street; and South King Street from Pensacola Street to its intersection with McCully Street. Provides that prior to the installation and operation of any photo red light imaging detector system, the county shall conduct a comprehensive engineering review and study of each intersection considered for enforcement via the photo red light imaging detector system and shall implement all necessary and appropriate engineering, design, and traffic control signal timing measures. Provides that where the photo red light imaging detector system affects state property, the department shall cooperate with and assist the county as needed to install, maintain, and repair the photo red light imaging detector system. Allows the county to establish and implement a system imposing monetary liability on the operator of a motor vehicle for failure to comply with traffic control signal laws. Further allows the county to provide for the procurement, location, installation, operation, maintenance, and repair of the system. Provides that where the system affects state property, the department of transportation shall cooperate with and assist the county as needed to install, maintain, and repair the system. Requires photo red light imaging detector equipment to be positioned within designated area at the 10 intersections with the highest motor vehicle accident rates during the time period commencing January 1, 2018, and ending on March 15, 2019. Requires signs and other official traffic control devices indicating that traffic signal laws are enforced by a photo red light imaging detector system to be posted on all major routes entering the designated area to provide notice to drivers of the existence and operation of the system. Provides that proof of a traffic control signal violation shall be as evidenced by information obtained from the system. Further provides that a certificate, sworn to or affirmed by the county's agent or employee, or a facsimile thereof, based upon inspection of photographs, microphotographs, videotape, or other recorded images produced by the system, shall be prima facie evidence of the facts contained therein. Requires any photographs, microphotographs, videotape, or other recorded images evidencing a violation to be available for inspection in any proceeding to adjudicate the liability for that violation. Provides that whenever any motor vehicle is determined by the system to have disregarded a steady red signal, the county shall cause a notice of traffic infraction to be sent by certified or registered mail with a return receipt, which is postmarked within 72 hours of the time of the incident, to the registered owner of the vehicle at the address on record at the vehicle licensing division. Requires the form and content of the notice of traffic infraction to be as adopted or prescribed by the administrative judge of the district courts and to be printed on a form commensurate with the form of other summonses or citations used in modern methods of arrest, so designed to include all necessary information to make the notice of traffic infraction valid within the laws of the State. Requires the notice of traffic infraction systems program to contain the date, time, and location of the violation; the license number of the vehicle; and a clear and unobstructed photographic, digital, or other visual image of the operator of the motor vehicle that is to be used as evidence of the violation. Provides that a mail receipt signed by the registered owner shall be prima facie evidence of notification. Requires the county, or the county's agent or employee, to be available to testify as to the authenticity of the information provided. Allows the registered owner of the vehicle to present evidence to rebut the evidence that the person was not the operator of the motor vehicle at the time of the alleged violation or identifying the driver of the motor vehicle at the time of the offense. Provides that if the registered owner of the motor vehicle does not answer the notice of traffic infraction within 21 days of the issuance of the notice, the district court shall mail a notice of entry of default judgment to the address in which the motor vehicle is registered. Establishes the liability for any notice of traffic infraction issued of any registered owner of record who is the lessor of a rental or U drive motor vehicle. Establishes penalties. Establishes fines for unauthorized disclosure. Establishes a photo red light imaging the detector systems pilot program account into which shall be paid revenues collected pursuant to these provisions and shall be expended in the county in which the fine was imposed, for purposes that include the establishment, operation, management, and maintenance of the system. Annual report to the legislature by the department in consultation with the county. Appropriation to the city and county of Honolulu. Act to be repealed on June 30, 2023 (sunset). RELATING TO ELECTIONS.

Introduced by: Lee C, Saiki S, Creagan R, Perruso A, Holt D, Takumi R, Cullen T, Nakamura N, Wildberger T, Eli S, Kong S, Mizuno J
Amends provisions relating to elections, generally law. Defines ballot summary to mean a complete record of ballot selections that is verified by the voter. Defines precinct to mean the smallest political subdivision established by law. Redefines ballot to include a ballot summary that is produced by a voter using a web based ballot or similarly accessible ballot. Provides that a ballot also includes a voter verifiable paper audit trail in the event there is a discrepancy between a voting machine's electronic record of the

HOUSE BILLS WHICH PASSED THIRD READING

voted ballot and the voter verifiable paper audit trail. Redefines district to mean the district of political representation associated with a state representative. Repeals provision that requires an application to register to vote to include a space to request a permanent absentee ballot. Adds precinct and voter service centers in applicable provisions. Requires the chief election officer to issue a proclamation listing all voter service centers and places of deposit as may have been determined by the clerk as of the proclamation date and whenever a new precinct is established in any representative district. Provides that a voter in an election conducted by mail shall not be precluded from voting by absentee ballot pursuant to absentee voting law or uniform military and overseas voters act if the voter complies with applicable requirements. Allows the clerk to continue to mail ballots to those who have updated their voter registration address after the 7th day, if the clerk believes there is sufficient time for the voter to return the ballot by the applicable deadline; or another statute provides for the transmittal of the ballot during that time frame. Requires the affirmation to consist of a statement to be subscribed to by the voter that affirms the fact that the voter is the person voting and that the voter's employer or agent of the employer, agent of the voter's labor union, or any candidate listed on the ballot did not assist the voter, along with the instruction that the voter's ballot will be valid only if the affirmation statement is signed. Provides that to cast a valid ballot, the voter shall return the return identification envelope containing the secrecy envelope or secrecy sleeve with the marked ballot in any manner so that the return identification envelope is received by the clerk or the clerk's designee no later than the closing time on election day; provided that anyone who is standing in line at 7:00 p.m. on the date of the election with the intent of returning a ballot shall be permitted to do so. Provides that beginning with the 2022 primary election, at least 2 voter service centers shall be open in each county having a population greater than 150,000 from the 10th business day preceding the day of the election during regular business hours until the time provided in provisions relating to voter service center hours on the date of the election and at the same times statewide. Allows the clerks to operate additional voter service centers with varying days or hours of operations to service the voters of particular areas that otherwise could not support the operation of a voter service center for 10 business days or the same times statewide. Repeals provisions relating to capital equipment. Provides that following the 2020 general election, the office of elections shall review the process for the electronic transmission of ballots, including its vulnerability to hacking or cyberattacks. Report to the legislature. -- Establishes provisions relating to automatic voter preregistration and registration; opt out. Provides that any person who is enrolled in a public high school or public charter school; is otherwise qualified to register to vote under this provision; is at least 16 years of age; and properly completes and submits a voter registration affidavit, shall be automatically preregistered or registered to vote. Provides that the person shall retain the option to subsequently opt in or out of preregistration or registration. Requires the superintendent of education to collect and transmit any voter registration affidavit provided to the department to the clerk of the county in which the applicant resides, as necessary; provided that the superintendent of education shall not maintain, scan, review, or copy any voter registration affidavit nor transmit any information maintained by the department of education. Provides that between January 1 and January 31 of each year, an authorizer, shall provide and may collect from each charter school student who is at least 16 years of age a voter registration affidavit containing the information required by elections; application to register to allow the student to preregister or register to vote or to opt out of preregistering or registering to vote. Allows the authorizer to transmit the voter registration affidavit to the clerk of the county in which the applicant resides. Requires the clerk to determine whether the applicant is currently preregistered or registered in the general county register. -- Establishes provisions relating to ranked choice voting; application; procedure. Requires any federal election not held on the date of a regularly scheduled primary election or general election; special election for a vacant state senate or state house of representatives seat; provided that the special election for the vacant state senate or state house of representatives seat shall be conducted on the same timetable as a vacant seat in the federal house of representatives; and special election for a vacant seat on a county council; to be conducted by ranked choice voting. Provides that for any election conducted by ranked choice voting, the election proclamation shall state that votes shall be cast and tabulated using ranked choice voting and provide an explanation of ranked choice voting. -- Amends provisions relating to contents of ballot. Provides that in multimember races the ballot shall state that the voter shall not vote for more than the number of seats available or the number of candidates listed where the number of candidates is fewer than the number of seats available. -- Amends provisions relating to state senator. Requires that all candidates for the unexpired term to file

RELATING TO LEASE EXTENSIONS ON PUBLIC LAND.

Introduced by: Todd C

Establishes provisions relating to commercial, industrial, resort, or government leases; extension of term. Allows that for leases that have not been assigned or transferred within 10 years prior to receipt of an application for a lease extension submitted pursuant to this provision, the board of land and natural resources to extend the rental period of a lease of public lands for commercial use, industrial use, resort use, or government use upon approval by the board of a development agreement proposed by the lessee or by the lessee and developer to make substantial improvements to the existing improvements; provided that this provision shall not apply to public lands controlled by the department of Hawaiian home lands and leased pursuant to the Hawaiian Homes Commission Act of 1920, as amended, unless such lease is for commercial use. Requires that prior to entering into a development agreement, the lessee or the lessee and developer shall submit to the board the plans and specifications for the total development proposed. Requires the board to review the plans and specifications and determine whether the development proposed in the development agreement is of sufficient worth and value to justify the extension of the lease, the estimated period of time to complete the improvements and expected date of completion of the improvements, and the minimum revised annual rent based on the fair market value of the lands to be developed, as determined by an appraiser for the board, and if deemed appropriate by an appraiser, the appropriate percentage of rent where gross receipts exceed a specified amount. Prohibits a lease extension to be approved until the board and the lessee or the lessee and developer mutually agree to the terms and conditions of the development agreement. Prohibits construction to commence until the lessee or the lessee and developer have filed with the board a sufficient bond conditioned upon the full and faithful performance of all the terms and conditions of the development agreement. Requires any extension of a lease pursuant to this provision to be based upon the substantial improvements to be made and shall be for a period not longer than 40 years. Prohibits a lease to be transferable or assignable throughout the 1st 10 years of the extended term, except by devise, bequest, intestate succession, a collateral assignment of lease or other security granted to a leasehold mortgagee in connection with leasehold financing by a lessee, a change in direct ownership of less than 50 per cent of a lessee that is a company or entity, a change in indirect ownership of a lessee that is a company or entity, or by operation of law. Requires that the prohibition on assignments and transfer of leases to include a prohibition on conveyances of leases. During subsequent periods of the extended term of the lease, the lease may be assigned or transferred, subject to approval by the board. Requires the applicant for a lease extension to pay all costs and expenses incurred by the department in connection with processing, analyzing, or negotiating any lease extension request, lease document, or development agreement under this provision. Act to be repealed on June 30, 2025 (sunset). -- HB2191 HD1

RELATING TO QUALIFIED DOMESTIC RELATIONS ORDERS.

Introduced by: Saiki S (BR)

Amends provisions relating to distribution of property in a divorce action. Defines benefit the member or former member with vested benefit status is expected to receive to mean the benefit the member or former member with vested benefit status is expected to receive without regard to any Hawaii domestic relations order. Defines benefit the retirant is receiving to mean the benefit the retirant is receiving without regard to any Hawaii domestic relations order. Adds domestic relations order. Requires the employees' retirement system to review a domestic relations order or proposed domestic relations order for compliance with the requirements imposed by this provision. Allows the notification to also be provided to the member, former member with vested benefit status, retirant, or alternate payee. Provides that the system's notification is advisory and shall not constitute a determination that a proposed domestic relations order is or is not a Hawaii domestic relations order. Provides that if a member or former member with vested benefit status terminates membership in the system by withdrawal of contributions or hypothetical account balance, the system shall pay all or a portion of the amount withdrawn to any alternate payee as directed by a Hawaii domestic relations order. Provides that if after terminating membership in the system by withdrawal of contributions or hypothetical account balance, the former member or former member with vested benefit status later resumes membership in the system, the system shall pay to an alternate payee no portion of any benefits that result from the resumption of membership, even if those benefits result in part from reinstatement of service credit initially credited during the marriage. Provides that payments made to alternate payees according to the terms of Hawaii domestic relations orders are payments received by the retirant for purposes of provisions relating to election of retirement allowance option and the benefit that the retirant received for purposes of provisions relating to election of retirement allowance option. Requires the priority of Hawaii domestic relations orders to be determined by the order in which the certified copies of domestic relations orders are received by the system for qualification as a Hawaii domestic relations order, and not by the order in which domestic relations orders are determined to be Hawaii domestic relations orders, the order in which the domestic relations orders are entered by the court, the date the complaint for divorce is filed, the date upon which an order of divorce is entered, or the date of marriage. -- HB2312 HD1

RELATING TO AUTHORIZING THE DEPARTMENT OF LAND AND NATURAL RESOURCES TO LEASE PASTURE LANDS ON TERMS THAT PROMOTE COLLABORATIVE BENEFICIAL USE FOR FORESTRY, WILDLIFE, RECREATIONAL, AND FOOD PRODUCTION PURPOSES.

Introduced by: Saiki S (BR)

Amends provisions relating to lease restrictions; generally. Provides that any provision of this law to the contrary notwithstanding, the board may amend and extend pasture leases to further public purposes, subject to the following; the demised premises have been used substantially for the purpose for which they were originally leased; the aggregate of the initial term and any extension granted shall not be for more than 99 years; and the public land has key characteristics that would benefit from the amendment and extension of a pasture lease, such as the capacity for public purposes to be promoted through a lease amendment and extension. Notwithstanding appraisals, the chairperson may set the lease rent for the period of the lease term occurring after an amendment under this provision. In arriving at a rental value, the chairperson may also consider; the specified use of the land; any restriction on grazing or other beneficial uses of the land or portions thereof by the lessee; and any withdrawal of lands from the lease premises. If an independent appraisal is procured to determine rent for an amended pasture lease, the chairperson may apply a lower rate of return if warranted after consideration of the public purpose served by the lease, use restrictions thereunder, and any obligation of the lessee to provide conservation or stewardship services. -- Any provision of this law to the contrary notwithstanding, the board may issue pasture leases by direct negotiation and without recourse to public auction for lands already under pasture use when doing so will further public purposes; provided that the term of any pasture lease issued under this subsection shall not be for more than 65 years. Notwithstanding appraisals, the chairperson may set the rent for pasture leases issued under this subsection on such terms and conditions as the chairperson may determine, including but not limited to a value that incentivizes or otherwise promotes ranching operations compatible with the public purposes for whose promotion the department is responsible. If an independent appraisal is procured to determine rent for a pasture lease, the chairperson may apply a lower rate of return if warranted after consideration of the public purpose served by the lease, use restrictions thereunder, and any obligation of the lessee to provide conservation or stewardship services. -- HB2358 HD1

Establishes provisions relating to regulation of hydrofluorocarbons. Provides that a person may not offer any product or equipment for sale, lease, rent, installation, or otherwise cause the product or equipment to enter commerce in the State if that equipment or product consists of, uses, or will use a substitute for the applications or end uses restricted by appendix U or V, as those read on January 3, 2017, and consistent with the deadlines established. Exempts that where existing equipment is retrofit, nothing in this provision requires a person that acquired a restricted product or equipment prior to the effective date of the restrictions to cease use of that product or equipment. Provides that a product or equipment manufactured prior to the applicable effective date of the restrictions specified may be sold, imported, exported, distributed, installed, and used after the specified effective date. Allows the department of health to adopt rules to modify the effective date of a prohibition established, if the director determines that the modified deadline meets specified criteria. Provides that if the US Environmental Protection Agency (EPA) approves a previously prohibited hydrofluorocarbon blend with a global warming potential of 750 or less for foam blowing of polystyrene extruded boardstock and billet and rigid polyurethane low pressure 2 component spray foam pursuant to the significant new alternatives policy program under 42 US Code section 7671k, of the federal Clean Air Act, title 42 US Code, section 7401 et seq., the director shall expeditiously propose a rule to conform to the requirements established under this provision with that federal action. Establishes provisions relating to aircraft maintenance; definition. Provides that for the purposes of implementing the restrictions specified in Appendix U of subpart G of 40 C.F.R. Part 82, as it read on January 3, 2017, consistent with this provision, requires the department to interpret the term aircraft maintenance to mean activities to support the production, fabrication, manufacture, rework, inspection, maintenance, overhaul, or repair of commercial, civil, or military aircraft, aircraft parts, aerospace vehicles, or aerospace components. Provides that the authority granted by this provision to the department to restrict the use of substitutes shall be supplementary to the department's authority to control air pollution pursuant to this law. Nothing in this part shall be construed to limit any authority granted to the department under any other law. Exempts that where existing equipment is retrofit, the restrictions of this provision

Prohibits a government body to knowingly purchase a product that is not accorded a preference in the purchasing and procurement rules established by the policy board, unless there is no cost effective and technologically feasible option that is accorded a preference. Provides that nothing in this provision shall require an agency to breach an existing contract or dispose of stock that has been ordered or is in the possession of the agency as of the effective date of this provision. -- Amends provisions relating to State building codes; hydrofluorocarbons; updates. Provides that when adopting, amending, or updating the codes and standards identified in Hawaii state building codes; requirements, the council shall establish codes and standards that permit the use of substitutes and do not require the use of substitutes that are restricted by provisions relating to regulation of hydrofluorocarbons. Requires the Hawaii state energy office, in conjunction with the environmental management division of the department of health, to conduct a study that addresses how to increase the use of refrigerants with low global warming potential in mobile sources, utility equipment, and consumer appliances; addresses how to reduce other uses of hydrofluorocarbons in the State; and provides recommendations for funding, structuring, and prioritizing a state program that incentivizes or provides grants to support the elimination of legacy uses of all hydrofluorocarbons, including hydrofluorocarbons that are not regulated by regulation of hydrofluorocarbons of this Act. K, Brower T

Amends provisions relating to low income housing income tax credit. Allows each taxpayer subject to the tax imposed by this law, who has filed an income tax return for a taxable year to claim a low income housing tax credit against the taxpayer's net income tax liability. Allows a credit under this provision to be allocated among the partners or members of the taxpayer earning the credit in any manner agreed to by the parties regardless of whether any partner or member is deemed a partner for federal income tax purposes if the partner or member is a partner and may be claimed whether or not the taxpayer is eligible to be allocated a federal low income housing tax credit pursuant to section 42 of the Internal Revenue Code. Allows any allocation of a tax credit under this provision to be made among the partners or members of a taxpayer in accordance with this provision; provided that the partners or members have been admitted to the taxpayer on or prior to the date of filing the partner's or member's tax return, including any amendments thereto, with respect to the year of the tax credit. Requires all claims for a tax credit under this provision to be filed on or before the end of the 24th month following the close of the taxable year for which the credit may be claimed and shall include a copy of form 8609 issued by the corporation with respect to the building; provided that if a taxpayer has not received form 8609 from the corporation with respect to its qualified low income building at the time the taxpayer files its original tax return claiming the credits under this provision, the taxpayer may later amend its tax return to include form 8609. Provides that for a qualified low income building placed in service under this section after December 31, 2020 section 453 (with respect to the installment method), section 465 (with respect to deductions limited to amount at risk), and section 469 (with respect to passive activity losses and credits limited) of the Internal Revenue Code shall not be operative with respect to investments made in buildings and projects claiming the credit under this provision; all allocations to partners of their distributive shares of income, loss, and deductions under income tax law shall be made in accordance with the written agreement of the partners or members; and in no event shall the total amount of state credits allocated by the corporation for the qualified low income building exceed 50 per cent of the amount of federal credits allocated to the building for the 10 year federal credit period. Nakashima M, Morikawa D, Tarnas D, Quinlan S, Kobayashi D, Lee C, Onishi R
Amends provisions relating to general provision governing the issuance of licenses. Allows the district court to approve the issuance or renewal of a driver's license or instruction permit other than a commercial driver's license if the applicant or a member of the applicant's immediate family requires medical treatment on a regular basis and the applicant must drive in order for the treatment to be obtained; provided further that the applicant is able to present, at a minimum, a statement signed by a licensed physician or advanced practice registered nurse that indicates that the applicant or a member of the applicant's immediate family requires medical treatment on a regular basis; the applicant must drive for necessary travel to transport a minor dependent in the applicant's immediate family to and from an institution of primary or secondary education; provided further that the chief administrative officer or principal of the educational institution certifies in writing that the minor dependent is enrolled in the educational institution and no form of public transportation or school bus is available between the applicant's place of residence and the educational institution; or the applicant is enrolled in a class, course, or training program and must drive to and from the class or course at an accredited school, college, or university or a state approved institution of vocational or technical training; provided further that the applicant is able to present credible proof of enrollment in the class, course, or training program. -- Amends provisions relating to penalty. Requires any person cited under this provision to be given an opportunity to demonstrate that the person's nonpayment or inability to pay is not wilful. The judge shall make an individualized assessment of the person's ability to pay based on the totality of the circumstances, including but not limited to the person's disposable income, financial obligations, and liquid assets. If the judge determines that the person's nonpayment or inability to pay is not wilful, the judge shall enter an order that allows the person additional time for payment, reduces the amount of each installment, or revokes the fee or fine, or unpaid portion thereof, in whole or in part. -- Establishes provisions relating to registration; fee; taxes. Allows any person to request a biannual registration installment fee schedule for the person's motor vehicle registration. Requires the annual taxes and fees levied to be prorated and paid at the time of each biannual installment for motor vehicle registration. -- Establishes provisions relating to biannual registration. Allows a person to pay for the person's motor vehicle vehicle's registration fee on a biannual basis. Allows the director of finance to elect to issue to a person registering a vehicle pursuant to this position certificates of registration and corresponding tags or emblems of 6 months in duration to ensure timely installment payments from the registrant. -- Amends provisions relating to stored vehicle. Provides that the amount of unpaid tax due shall not exceed 12 months. -- Amends provisions relating to delinquent penalties; seizure and sale for tax. Provides that the unpaid tax due shall not exceed the current tax due plus any unpaid tax due for the immediately preceding year. Provides that the amount of the delinquency penalty shall be a flat rate for 12 months to be established by the county's legislative body. Provides that if a person who has opted to pay a motor vehicle registration fee on a biannual basis fails to timely pay the biannual portion of the tax due, the delinquency penalty shall be 1/2 of the delinquency penalty that would be applied to a person required to register the same motor vehicle on an annual basis. -- HB2751 HD1
