## FOREWORD

This publication sets forth all of the requests made by the Hawaii State Legislature during the Regular Session of 2021 to agencies and officials of the federal, state and county governments and of quasi-public and private agencies. These requests are contained in acts enacted by the Legislature or bills passed, but which have yet to be approved by the Governor. These acts or bills include specific requests for submission of information back to the Legislature, excluding annual and other reports requested on an indefinite basis. (New, first-year annual reports are included in this publication). These requests are also contained in resolutions adopted by the Senate or House of Representatives or by both bodies of the Legislature. Dates by which reports and other responses are expected are indicated when specifically set by the Legislature. The names of the agencies involved in the conduct of a study or the execution of a request are underscored.

For the reader's convenience these legislative requests are also grouped together by agencies (see agency index); as well as by subject matter (see subject index).

Standard abbreviations used in the text are:

SB	-	Senate Bill
SD	-	Senate Draft
SR	-	Senate Resolution
SSCR	-	Senate Standing Committee Report
HB	-	House Bill
HD	-	House Draft
HR	-	House Resolution
HSCR	-	House Standing Committee Report
CD	-	Conference Draft
CCR	-	Conference Committee Report

The word "filed" appended to certain committee reports denotes that the committee report is separated from the bill.

Provides that if the authorized appropriations specified for capital improvement projects listed in this Act are insufficient and where the source of funding is designated as airport passenger facility charge funds, the governor may make supplemental allotments from the airport revenue fund or airport revenue bond funds, or transfer unrequired balances from other unexpired projects in this Act or prior appropriation acts that authorized the use of airport passenger facility charge funds; provided that the supplemental allotments shall not be used to increase the scope of the project; provided further that the supplemental allotments shall not impair the ability of the fund to meet the purposes for which it was established; provided further that the governor, at the governor's discretion, may increase the passenger facility charge fund authorization ceiling for the program to accommodate the expenditure of the funds; provided further that the governor shall submit a report to the legislature of all uses of this authority for the previous twelve month period from December 1 to November 30 no later than thirty days prior to the convening of the regular sessions of 2022 and 2023.

#### PART VII, SECTION 52

SUPPLEMENTAL FUNDS, COST ELEMENT FOR CAPITAL IMPROVEMENT PROJECTS. Authorizes the governor to supplement funds for any cost element for capital improvement projects authorized under this Act by transferring sums as may be needed from the funds appropriated for other cost elements of the same project by this Act or any other prior or future act that has not lapsed; provided that the total expenditure of funds for all cost elements shall not exceed the total appropriations for that project; provided further that the governor shall submit a report to the legislature of all uses of this authority for the previous twelve month period from December 1 to November 30 no later than thirty days prior to the convening of the regular sessions of 2022 and 2023.

#### PART VII, SECTION 58

NATURAL DISASTERS, UNFORESEEN EMERGENCIES, EXPENDITURE OF FUNDS FOR. Authorizes the governor to authorize the expenditure of funds for capital improvement projects not previously authorized in this Act to cope with the effects of natural disasters or unforeseen emergencies, when the effects of the natural disasters or unforeseen emergencies create an urgent need to pursue a course of action that is in the best interest of the State; provided further that no funds shall be expended without a formal declaration of a natural disaster or emergency by the governor; and provided further that the governor shall use the powers conferred under section 127A-13, Hawaii Revised Statutes, or any other applicable law to accomplish the purposes of this section; and provided further that the governor shall notify the legislature within five days of each use of this authority and submit a report to the legislature of all uses of this authority for the previous fiscal year no later than September 1 of each year.

## PART VII, SECTION 61

NATURAL DISASTERS, UNFORESEEN EMERGENCIES, TRANSFER SAVINGS, BALANCES FOR. Authorizes the governor to transfer savings or unrequired balances as may be available from the appropriated funds of any program in this Act to supplement the appropriation for any other program in this Act to cope with the effects of natural disasters or other unforeseen emergencies; provided that the effects of such natural disasters or emergencies create an urgent need to pursue a course of action which is in the best interest of the State; provided further that the use of such funds does not conflict with general law; provided further that no funds shall be expended without a formal declaration of a natural disaster or emergency by the governor; provided further that this authority shall not extend beyond July 1 of the immediately succeeding fiscal year; provided further that any funds unencumbered or unexpended as of July 1 of the immediately succeeding fiscal year shall lapse as of that date; and provided further that the governor shall notify the legislature within five days of each use of this authority and submit a report to the legislature of all uses of this authority for the previous fiscal year no later than September 1 of each year.

## PART VII, SECTION 65

FEDERAL FUND APPROPRIATIONS. Provides that the federal fund or other federal fund appropriations made for operating costs authorized under this Act for fiscal year 2021-2022 shall not lapse at the end of the fiscal year for which the appropriation is made; provided that all federal fund or other federal fund appropriations made to be expended in fiscal year 2021-2022 which are unencumbered as of June 30, 2023 shall lapse as of that date; and provided further that the governor shall notify the legislature within five days of each use of this authority and submit a report to the legislature of all uses of this authority for the previous fiscal year no later than September 1 of each year.

## PART VII, SECTION 66

ESSENTIAL FEDERALLY FUNDED PROGRAMS, SUPPLEMENTAL FUNDING FOR. Provides that if unanticipated federal funding cutbacks diminish or curtail essential, federally funded state programs, the governor may utilize savings as may be available from other state programs for the purpose of maintaining the pre-existing funding levels of the programs until July 1 of the immediately succeeding fiscal year; provided that the governor may not use this authority beyond July 1 of the immediately succeeding fiscal year for which the need is initially identified; provided further the governor shall submit a request to the legislature for the continued supplemental funding of the essential federally funded programs that have been funded pursuant to this section no later than thirty days prior to the convening of the regular sessions of 2022 and 2023; and provided further that the governor shall notify the legislature within five days of each use of this authority and submit a report to the legislature of all uses of this authority for the previous fiscal year no later than September 1 of each year.

## PART VII, SECTION 67

EXPENDITURE OF FEDERAL FUNDS, EXCESS. Provides that where federal funding becomes available after the legislature adjourns sine die, the governor may approve the expenditure of federal funds that are in excess of levels authorized by the legislature; provided that the approval of excess funding shall not extend beyond July 1 of the immediately succeeding fiscal year unless appropriated by the legislature; provided further that the governor may allow for an increase in the appropriate federal fund authorization ceiling for the program to accommodate the expenditure of the funds; and provided further that the governor shall notify the legislature within ten days of each use of this authority and submit a report to the legislature of all uses of this authority for the previous fiscal year no later than September 1 of each year.

## PART VII, SECTION 68

### FEDERAL AID FINANCING, FEDERAL REIMBURSEMENT, FEDERAL GRANT AWARDS.

Authorizes the governor to approve the extension of the lapse dates for appropriated federal funds and appropriations of other means of financing, except general funds, deemed necessary to qualify for federal aid financing and/or federal reimbursement that are appropriated in this Act and deemed necessary to meet the intent of the federal grant awards; provided that all federal fund appropriations and appropriations of other means of financing, made to be expended in fiscal year 2021-2022 which are unencumbered as of June 30, 2023 shall lapse as of that date; provided further that all federal fund appropriations and appropriations of other means of financing, made to be expended in fiscal year 2022-2023 which are unencumbered as of June 30, 2024 shall lapse as of that date; and provided further that the governor shall notify the legislature within five days of each use of this authority and submit a report to the legislature of all uses of this authority for the previous fiscal year no later than September 1 of each year.

## PART VII, SECTION 69

PRIVATE ORGANIZATIONS, FUNDS, PROPERTY FROM, AUTHORIZED PROGRAMS. Provides that where an agency is authorized to secure funds or other property from private organizations or individuals to be expended or utilized in connection with any authorized program, the agency, with the governor's approval, may enter into the undertaking; provided that the provisions of the undertaking comply with applicable state constitutional and statutory requirements; provided further that the governor shall submit a report to the legislature of all uses of this authority for the previous twelve month period from December 1 to November 30 no later than thirty days prior to the convening of the regular sessions of 2022 and 2023.

## PART VII, SECTION 72

OPERATING PURPOSES, TRANSFER OPERATING FUNDS FOR. Authorizes the governor to transfer operating funds between appropriations within the same fund, within an expending agency, for operating purposes; provided that the governor shall submit a report to the legislature within five days of each use of this authority; provided further that the report shall include the date of transfer, the amount of the transfer, the program ID from which funds were transferred, the program ID to which funds were transferred, the impact to the program ID funds are transferred from, and a detailed explanation of the public purposes served by the transfer of resources; and provided further that the governor shall submit to the legislature a summary report containing the aforementioned information for each use of this authority for the previous twelve month period from December 1 to November 30 no later than thirty days prior to the convening of the regular sessions of 2022 and 2023.

## PART VII, SECTION 73

PERSONAL RESOURCES, STAFF PRODUCTIVITY, TRANSFER POSITIONS FOR. Authorizes each department or agency to transfer positions within its respective authorized position ceiling for the purpose of maximizing the utilization of personnel resources and staff productivity; provided that all such actions shall be with the prior approval of the governor and shall be consistent with appropriations provided in this Act and with provisions of part II of chapter 37, Hawaii Revised Statutes; provided further that the governor shall submit a report to the legislature within five days of each use of this authority; provided further that the report shall include the date of the transfer, the position transferred, the program from which the position was transferred, the program to which the position was transferred, responsibilities of the position prior to transfer, the responsibilities of the position after the transfer, and the manner in which the transfer maximizes the utilization of personnel resources and staff productivity; and provided further that the governor shall submit to the legislature

a summary report of all uses of this authority for the previous fiscal year no later than September 1 of each year.

RETIREMENT SAVINGS TASK FORCE. Requests a retirement savings program task force to be convened to:

- (1) Assess the feasibility of establishing a Hawaii retirement savings program for private sector employees in the State without access to employer-sponsored retirement plans (Hawaii Retirement Savings Program);
- (2) Review the implications of the federal Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019, P.L. 116-94, which was enacted on December 20, 2019; and
- (3) Draft the following, if a statewide retirement savings program for private sector employees is deemed feasible for Hawaii:
  - (A) An implementation plan that recommends the best model for Hawaii;
  - (B) An administrative framework to provide initial start-up of the program, oversight over the program, a timeline for establishing and implementing the program, and the proposed start-up costs for the program; and
  - (C) A general marketing and outreach framework to encourage small business and employee participation; and
- (4) Requests, to assist in its assessment of the feasibility of a Hawaii retirement savings program, the retirement savings task force to review independent studies and reports and receive briefings by national and local experts in retirement savings to:
- (5) Understand the fiscal implications to the State if it establishes a state-facilitated retirement program, and the implications to the State if it does not;
- (6) Analyze the benefits and risks of the different state-facilitated retirement savings models of California, Illinois, Oregon, and other states that have initiated a similar retirement savings program;
- (7) Explore the feasibility and benefits of inter-state partnerships and cooperative agreements with similar retirement savings programs established in other jurisdictions;
- (8) Be informed of the implications and current findings of the federal SECURE Act and to describe benefits and limitations of the Act; and
- (9) Review the efficacy of current financial literacy educational outreach and marketing to individual consumers and the impact on retirement savings.

Requests the retirement savings program task force to comprise the following members, or their designees:

- (1) One member of the Senate to be appointed by the President of the Senate, who shall convene the task force, and who is requested to serve as:
  - (A) A non-voting member of the task force; and
  - (B) A co-chair pro tempore of the task force until the members of the task force elect a chair and vice chair of the task force; and
- (2) One member of the House of Representatives to be appointed by the Speaker of the House of Representatives, and who is requested to serve as:
  - (A) A non-voting member of the task force; and
  - (B) A co-chair pro tempore of the task force until the members of the task force elect a chair and vice chair of the task force; and
- (3) The Director of Finance;
- (4) The Director of Labor and Industrial Relations;
- (5) One member representing small business organizations in Hawaii without an employer-sponsored retirement plan to be selected by the President of the Senate;
- (6) One member representing non-profit organizations in Hawaii without an employer-sponsored retirement plan to be selected by the Speaker of the House of Representatives;
- (7) One member representing employees who lack access to employer-sponsored retirement plans to be appointed by the Speaker of the House of Representatives;
- (8) One member who is an attorney with professional knowledge and experience in retirement plans, to be selected by the President of the Senate;
- (9) One member who is an investment or financial advisor with professional knowledge and experience in private-sector retirement planning to be selected by the President of the Senate;
- (10) One member who is a third-party retirement plan administrator to be selected by the Speaker of the House of Representatives;
- (11) One member representing organizations in Hawaii that work with low-income and working families to achieve and sustain economic self-sufficiency to be selected by the President of the Senate; and
- (12) One member representing organizations in Hawaii that represent older adults and retirees to be selected by the Speaker of the House of Representatives.

Requests the members of the retirement savings program task force to elect a chair and vice chair of the task force from amongst themselves to replace the co-chairs pro tempore.

Resolves that the retirement savings program task force may request and utilize an independent consultant or administrative facilitator to assist the task force in carrying out its activities, including but not limited to:

- (1) Coordinating meeting logistics;
- (2) Preparing agenda;
- (3) Obtaining independent studies and reports;
- (4) Planning and coordinating local and national experts for briefings per request of the retirement savings task force;
- (5) Notetaking; and
- (6) Preparing the final report to the Legislature.

Requests the retirement savings program task force to submit a report of its findings, recommendations, an implementation plan of a retirement savings program model deemed feasible for Hawaii, and any proposed legislation, to the Legislature no later than forty days prior to the convening of the Regular Session of 2022.

Urges the Hawaii Department of Agriculture to trace the introduction of coffee berry borer and coffee leaf rust into Hawaii and determine what role the importation of green coffee from regions with known infestations played in the introduction of these pests, and what risks the continued importation of green coffee poses to the ongoing viability of Hawaii's coffee industry.

Resolves that the Department of Agriculture shall submit a report of its findings and recommendations, including any proposed legislation, to the Legislature no later than twenty days prior to the convening of the Regular Session of 2022.

Resolves that the report should include a discussion of the following topics:

- (1) The existing statutory and administrative measures that sought to prevent the importation of coffee berry borer and coffee leaf rust;
- (2) Ways that coffee berry borer and coffee leaf rust were imported to the State;
- (3) New monitoring and effective quarantine strategies and best management practices, including field sanitation, proper pruning, fertility, coffee leaf monitoring, and early detection;
- (4) Outreach strategies and community engagement for the development, education, and dissemination of these measures for coffee farmers, especially for those who live near their farms; and
- (5) The extent that these new measures could protect those living in Hawaii's coffee growing regions from the cumulative impacts of ongoing exposure to pesticides.

Requests the Department of Health to develop its own questions related to respondents' sex, sexual orientation, and gender identity and gender expression as part of the Behavioral Risk Factor Surveillance System questionnaire.

Requests the Department of Health to publish a comprehensive report on the health of Hawaii's lesbian, gay, bisexual, transgender, queer or questioning, and intersex (LGBTQI) community every three years.

Requests the Department of Health to include in this comprehensive report data collected from the Behavioral Risk Factor Surveillance System.

Requests the Department of Health to compare, in each of these reports, the prevalence of health-related risk behaviors, chronic health conditions, and use of preventive services between the LGBTQI population, and where possible, LGBTQI sub-populations, and the general population.

Requests the Department of Health to post each comprehensive report on its website.

Requests the Department of Public Safety to work with the Sexual and Gender Minority Workgroup within the Department of Health to ensure that the data collection is administered in accordance with LGBTQI data collection best practices.

INVESTIGATING COMMITTEE, LEGISLATURE. Establishes an investigating committee pursuant to chapter 21, Hawaii Revised Statutes, and may operate during the interim between the 2021 and 2022 Regular Sessions.

Resolves that the purpose and duties of the investigating committee and the subject matter and scope of its investigative authority shall be:

- (1) To follow up on the audits of the Department of Land and Natural Resources' Special Land and Development Fund, Report No. 19-12, and Agribusiness Development Corporation, Report No. 21-01;
- (2) To examine the recommendations made in those audits; and
- (3) For purposes of improving the operations and management of these state agencies, their funds, and any other matters.

Resolves that the investigating committee shall have every power and function allowed to an investigating committee by law, including without limitation the power to:

- (1) Adopt rules for the conduct of its proceedings;
- (2) Issue subpoenas requiring the attendance and testimony of witnesses and subpoenas duces tecum requiring the production of books, documents, records, papers, or other evidence in any matter pending before the investigating committee;
- (3) Hold hearings appropriate for the performance of its duties, at times and places as the investigating committee determines;
- (4) Administer oaths and affirmations to witnesses at hearings of the investigating committee;
- (5) Report or certify instances of contempt as provided in section 21-14, Hawaii Revised Statutes;
- (6) Determine the means by which a record shall be made of its proceedings in which testimony or other evidence is demanded or adduced;
- (7) Employ professional, technical, clerical, or other staff and expend such funds appropriated for the House of Representatives operating expenses for 2021 as necessary for the proper performance of its duties;
- (8) Provide for the submission, by a witness's own counsel and counsel for another individual or entity about whom the witness has devoted substantial or important portions of the witness's testimony, of written questions to be asked of the witness by the chair; and
- (9) Exercise all other powers specified under chapter 21, Hawaii Revised Statutes, and the Rules of the House of Representatives, with respect to an investigating committee.

Resolves that the investigating committee shall consist of at least five members, including a chair and vice chair, to be appointed by the Speaker of the House of Representatives exclusively from the membership of the House of Representatives.

Resolves that the Speaker of the House of Representatives may, from time to time, refer to the investigating committee specific matters that fall within the scope of the investigating committee's jurisdiction, and the investigating committee shall work in cooperation with the Speaker of the House of Representatives for the purposes stated in this Resolution.

Resolves that the investigating committee shall submit its written findings and recommendations, including any proposed legislation, to the House of Representatives prior to the convening of the Regular Session of 2022 and cease to exist upon the adjournment sine die of the Regular Session of 2022 unless extended.
