FOREWORD

This publication contains brief descriptions of all bills passed by the Hawaii State Legislature during the Regular Session of 2022. We have included such data as the bill number, title, introducer, description, committee reports, current status, and sections of the Hawaii Revised Statutes affected by the bill. This publication reflects data recorded up to and including May 5, 2022, which is the date that the Legislature adjourned sine die. For your information, under Article III, Section 16 of the Hawaii State Constitution, the Governor has 45 days after adjournment sine die (not counting Saturdays, Sundays, and holidays), to consider bills for approval.

The Legislative Reference Bureau discourages the use of these descriptions of bills as a substitute for the bills passed by the Legislature. These descriptions are meant to be handy reference tools, not substitutes for the text. Copies of bills may be obtained at the various locations mentioned in this report.

This publication has been created by the Legislative Reference Bureau - Systems Office. Inquires on the approval of bills, their effective dates, subjects of bills passed, laws affected by bills passed, or any questions covering the data shown may be directed to Lori Lee Ohta. Their office is located at the State Capitol, Room 413 and their phone number is (808) 587-0700.

SB2002 SD2 HD2 (HSCR 1914-22) RELATING TO FAIR HOUSING REASONABLE ACCOMMODATIONS.
Introduced by: Rhoads K
Amends provisions relating to discriminatory practices under discrimination in real property transactions law. Provides that it is a discriminatory practice for an owner or any other person engaging in a real estate transaction, or for a real estate broker or salesperson, because of race; sex, including gender identity or expression; sexual orientation; color; religion; marital status; familial status; ancestry; disability; age; or human immunodeficiency virus infection to refuse to make reasonable accommodations in rules, policies, practices, or services, when the accommodations may be necessary to afford a person with a disability equal opportunity to use and enjoy a housing accommodation; provided that if reasonable accommodations include the use of an assistance animal, reasonable restrictions may be imposed; provided further that if the disability is not readily apparent, an owner or other person engaging in a real estate transaction may request information that verifies that the person has a disability, defined as a physical or mental impairment that substantially limits a major life activity. Prohibits an owner or other person engaging in a real estate transaction from requesting medical records or access to health care providers, and prohibits inquiry as to the diagnosis, nature, or severity of the person's disability. Allows an owner or other person engaging in a real estate transaction to request verification that the assistance animal is needed to alleviate 1 or more symptoms of the person's disability if the disability related need for an assistance animal is not readily apparent. Allows verification to be provided by a letter or other communication from the person's treating health care professional, mental health professional, or social worker. Prohibits possession of a vest or other distinguishing animal garment, tag, or registration documents that are commonly purchased online and purporting to identify an animal as a service animal or assistance animal from constituting valid verification. Defines assistant animal to mean an animal that is needed to perform disability related work, services, or tasks for the benefit of a person with a disability or provide emotional support that alleviates 1 or more identified symptoms or effects of a person's disability. Allows assistant animals to include service animals, therapy animals, comfort animals, or emotional support animals that may have formal training or may be untrained and may include species other than dogs. -- SB2002 HD2

SB2741

RELATING TO THE COMMISSION TO PROMOTE UNIFORM LEGISLATION.

Introduced by: Rhoads K

Amends provisions relating to commission under the uniformity of legislation law. Requires there to be established a commission to promote uniform legislation, placed within the department of the attorney general for administrative purposes, to promote uniformity of legislation in the US, to be composed of 5 commissioners, who shall be appointed by the governor in the manner prescribed in provisions relating to selection and terms of members of boards and commissions. -- Amends provisions relating to duties. Requires the members of the commission to promote uniform legislation shall be exempt from any limit on the number of members who may attend meetings and other presentations under provisions relating to permitted interactions of members for the purpose of attending and participating in meetings hosted by the National Conference of Commissioners on Uniform State Laws, also known as the Uniform Law Commission, regardless of whether the meetings are held specifically and exclusively for or directed toward members of the commission to promote uniform legislation. Prohibits the meetings hosted by the Uniform Law Commission and attended by the commissioners to be considered to be meetings of the commission and shall be exempt from the requirements of provisions relating to Open meetings, notice, and minutes under the public agency meetings and records law; provided that the commissioners may not vote on which uniform legislation should be proposed or recommended to the legislature for enactment in Hawaii at the meetings hosted by the Uniform Law Commission; provided further that commissioners who attend the meetings hosted by the Uniform Law Commission shall report at the next duly noticed meeting of the commission their attendance and the matters presented or discussed during the hosted meetings that related to official commission business. Requires this exemption to be in addition to the permitted interactions of members listed in provisions relating to permitted interactions of members. -- SB2741

RELATING TO EMERGENCY MANAGEMENT.

Introduced by: Kouchi R (BR)

Establishes provisions relating to public records generated during suspension of disclosure law. Requires public records generated during or containing information from the time of the suspension to be subject to disclosure requests made after the suspension is terminated, notwithstanding a proclamation or declaration of emergency or any rule or order adopted pursuant to this law that suspends disclosure of public records. -- Amends provisions relating to policy and purpose under emergency management law. Prohibits this law from being construed as conferring any power or permitting any action that is inconsistent with the Constitution and laws of the US or the Hawaii State Constitution. -- Amends provisions relating to additional powers in an emergency period. Allows the governor, in the event of a state of emergency declared by the governor pursuant to provision specified, to suspend any law that impedes or tends to impede or be detrimental to the expeditious and efficient execution of, or to conflict with, emergency functions, including laws that by this law specifically are made applicable to emergency personnel; provided that any suspension of law shall be no broader and last no longer than the governor deems necessary for the execution of emergency management functions, and any suspension of law shall identify the provision of law suspended and, for each provision, to specify the emergency management functions facilitated and justify the suspension based on protecting the public health, safety, and welfare; provided further that any suspension of any law that requires permits, authorizations, or approvals from any state or county agency may continue beyond the emergency period to allow for the completion of any repairs, reconstruction, rebuilding, or construction of any state or county infrastructure, facilities, or properties that would otherwise be delayed by any such permit, authorization, or

approval; and in the event of a disaster or an emergency beyond local control; an event that, in the opinion of the governor, makes state operational control or coordination necessary; or upon request of the county, assume direct operational control over all or any part of the emergency management functions within the affected area; and notwithstanding provisions specified, require the county to obtain the approval of the governor or director before issuing any emergency order, rule, or proclamation under this law. Allows the mayor, in the event of a local state of emergency declared by the mayor pursuant to provision specified, to suspend any county law that impedes or tends to impede or be detrimental to the expeditious and efficient execution of, or to conflict with, emergency functions, including laws that by this law specifically are made applicable to emergency personnel; provided that any suspension of law shall be no broader and last no longer than the mayor deems necessary for the execution of emergency management functions, and any suspension of law shall identify the provision of law suspended and, for each provision, shall specify the emergency management functions facilitated and justify the suspension based on protecting the public health, safety, and welfare; provided further that any suspension of any law that requires permits, authorizations, or approvals from any state or county agency may continue beyond the emergency period to allow for the completion of any repairs, reconstruction, rebuilding, or construction of any state or county infrastructure, facilities, or properties that would otherwise be delayed by any such permit, authorization, or approval. -- Amends provisions relating to state of emergency. Requires a state of emergency and a local state of emergency to terminate automatically 60 days after the issuance of a proclamation of a state of emergency or local state of emergency, respectively, unless extended or terminated by a separate or supplementary proclamation of the governor or mayor. Allows the legislature to, by an affirmative vote of 2/3 of the members to which each house is entitled, terminate a state of emergency, in part or in whole, declared by the governor pursuant to this provision. Allows the governor, notwithstanding provisions specified, to re declare the existence of a state of emergency in the State pursuant to this law if an emergency or a disaster has occurred or there is imminent danger or threat of an emergency or disaster in any portion of the State. -- Amends provisions relating to rental or sale of essential commodities during a state of emergency; prohibition against price increases. Requires the prohibitions under provision specified to remain in effect until 24 hours after the severe warning is canceled by the national weather service, pacific tsunami warning center, US geological survey, or other public authority, as applicable; or in the event of a declaration, 72 hours after the effective date and time of the declaration, unless the prohibition is identified and continued and the types of commodities are identified by the governor or mayor in the proclamation or any supplementary proclamation. Introduced by: Saiki S (BR)

Establishes the agricultural enterprises law. Provides that upon the mutual agreement and approval by the board of agriculture and the board of land and natural resources the department agriculture may accept from the department of land and natural resources the transfer and management of certain qualifying agricultural enterprise lands and agricultural enterprises; and certain assets, including position counts, related to the management of existing encumbered and unencumbered agricultural enterprise lands and agricultural enterprises and related facilities shall be transferred to the department of agriculture. Requires the department of agriculture to administer an agricultural enterprise program to manage the transferred agricultural enterprise lands and agricultural enterprises. Further requires the department of agriculture to establish criteria and rules, and subject to the approval by the board, may convert qualified and encumbered agricultural enterprise lands and agricultural enterprises to department leases or other forms of encumbrance. -- Amends provisions relating to duties in general under the department of agriculture law. Requires the department of agriculture to plan, design, construct, operate, manage, maintain, repair, demolish, and remove infrastructure or improvements on any lands under the jurisdiction of the department. -- HB0871 CD1

HB0886 HD1 SD2 (SSCR 3917)

RELATING TO PROFESSIONALLY LICENSED OR CERTIFIED GOVERNMENT EMPLOYEES.

Introduced by: Saiki S (BR)

Amends exclusiveness of remedy under the professionally licensed or certified government employees law. Provides that the remedy against the State provided by this law for injury or loss of property, or personal injury or death, arising or resulting from the negligent or wrongful act or omission of any professionally licensed or certified employee of the State while acting within the scope of the employee's office or employment shall be exclusive whenever the state agrees to be liable for the injuries, losses, and damages caused by the negligent or wrongful act or omission of the professionally licensed or certified employee. Requires that any civil action or proceeding for money damages arising out of or relating to the same subject matter against the employee or the employee's estate shall thereafter be precluded without regard to when the act or omission occurred; provided that claims based on liability arising from employment with an employer other than the state shall not be precluded. Allows the state to notify all parties in writing when an employee is named as a defendant in an individual capacity that the state is invoking exclusive liability by agreeing to be fully liable for the injuries, losses, and damages caused by the professionally licensed or certified employee, and the action or proceeding shall thereafter proceed against the state alone. Requires that when the state agrees to partial responsibility for the injuries, losses, and damages caused by an employee, the employee shall remain personally liable for those injuries, losses, and damages for which the state has not accepted responsibility. Provides that nothing in this provision shall create a right, claim, or cause of action by an employee against the State if the State does not invoke exclusive liability. Requires the State to retain the right to seek reimbursement from an employee if, after invoking exclusive liability, the State discovers that the employee was not acting within the course and scope of the employee's office or employment. -- HB0886 SD2

RELATING TO NEWBORN HEARING SCREENING.

Introduced by: Saiki S (BR)

Amends provisions relating to health law. Defines hearing screening to mean objective procedures to detect possible hearing loss and determine the need for diagnostic audiologic evaluation and medical evaluation. Repeals hearing impaired infant; management; and screening definition. Provides that it shall be the duty and responsibility of the department of health to establish, implement, and evaluate a statewide system for hearing screening and diagnostic audiologic evaluation to identify infants who are deaf or hard of hearing, and for the referral to and enrollment in early intervention services; and establish standards and guidelines for hearing screening, identification, diagnosis, intervention, and monitoring of infants who are deaf or hard of hearing, or have been identified with a risk indicator for developing delayed onset or progressive hearing loss, or both; and develop a plan in conjunction with the department of education to involve the parents or guardians in any medical and educational follow up for infants who are deaf or hard of hearing, or who have been identified with a risk indicator for developing delayed onset or progressive hearing loss, or both. -- Amends provisions relating to screening for hearing impairment by changing it to hearing screening, diagnostic audiologic evaluation, and intervention. Requires all newborn infants to receive a hearing screening to allow early identification and intervention to maximize social, emotional, and language outcomes for children who are deaf or hard of hearing. Requires birthing facilities to report newborn hearing screening results to the department. Requires audiologists and physicians specialized in hearing function who perform diagnostic audiologic evaluations of infants to report diagnostic audiologic evaluation results of those infants who do not pass the hearing screening test or are diagnosed as deaf or hard of hearing up to the age of 3 years to the department. -- Amends provisions relating to rules. Requires the department to adopt rules necessary for the purposes of this part, including but not limited to administration and quality of newborn hearing screening; retention of records and related data; reporting of hearing screening results; reporting of diagnostic audiologic evaluation results for those infants who fail newborn hearing screening or have been identified as deaf or hard of hearing; intervention for infants who have been identified as deaf or hard of hearing; informing parents about the purpose of hearing screening diagnostic audiologic evaluation, and intervention; and maintaining the confidentiality of affected families. -- HB0986 SD2

RELATING TO THE UNIFORM RECOGNITION AND ENFORCEMENT OF CANADIAN DOMESTIC-VIOLENCE PROTECTION ORDERS ACT.

Introduced by: Nakashima M, Marten L

Establishes the uniform recognition and enforcement of Canadian domestic violence protection orders act law. Establishes provisions relating to enforcement of Canadian domestic violence protection order by law enforcement officer. Provides that if a law enforcement officer determines under this provision that there is probable cause to believe a valid Canadian domestic violence protection order exists and the order has been violated, the officer shall enforce the terms of the Canadian domestic violence protection order as if the terms were in an order of a tribunal. Provides that presentation to a law enforcement officer of a certified copy of a Canadian domestic violence protection order is not required for enforcement. Provides that presentation to a law enforcement officer of a record of a Canadian domestic violence protection order that identifies both a protected individual and a respondent and on its face is in effect constitutes probable cause to believe that a valid order exists. Provides that if a record of a Canadian domestic violence protection order is not presented as provided in this provision, a law enforcement officer may consider other information in determining whether there is probable cause to believe that a valid Canadian domestic violence protection order exists. Provides that if a law enforcement officer determines that an otherwise valid Canadian domestic violence protection order cannot be enforced because the respondent has not been notified of or served with the order, the officer shall notify the protected individual that the officer will make reasonable efforts to contact the respondent, consistent with the safety of the protected individual. Provides that after notice to the protected individual and consistent with the safety of the individual, the officer shall make a reasonable effort to inform the respondent of the order, notify the respondent of the terms of the order, provide a record of the order, if available, to the respondent, and allow the respondent a reasonable opportunity to comply with the order before the officer enforces the order. Provides that if a law enforcement officer determines that an individual is a protected individual, the officer shall inform the individual of available local victim services. -- Establishes provisions relating to enforcement of Canadian domestic violence protection order by tribunal; registration of Canadian domestic violence protection order; immunity; other remedies; uniformity of

HB2024 HD1 SD2 CD1 (CCR 234-22) RELATING TO MAUNA KEA.

Introduced by: Nakashima M, Cullen T, Eli S, Tarnas D

Establishes the Mauna Kea stewardship and oversight authority law. -- Establishes provisions relating to Mauna Kea stewardship and oversight authority; established. Establishes the Mauna Kea stewardship and oversight authority, which shall be a body corporate and a public instrumentality of the State for the purpose of implementing this law. Requires the authority to serve jointly with the university of Hawaii in fulfilling the obligations and duties under the state lease for a period of 5 years as established in this provision. Requires the authority to be placed within the department of land and natural resources for administrative purposes; provided that provisions relating to administrative supervision of boards and commissions shall not apply to the authority. Requires the authority to establish its offices at the university of Hawaii at Hilo, Imiloa astronomy center or another suitable location or facility within the county of Hawaii. -- Establishes provisions relating to values and principles; and powers and responsibilities; generally. Allows the authority, as it pertains to the Mauna Kea land area, to make and execute contracts, leases, and all other instruments necessary or convenient for the exercise of its powers and functions under this law; make and alter bylaws for its organization and internal management; adopt rules for the purposes of this law; conduct meetings in accordance with public agency meetings and records law for the purposes of this law; appoint officers, agents, and employees who may be exempt from civil service law, prescribe their duties and qualifications, and fix their salaries; provide advisory, consultative, training, and educational services; technical assistance; and advice to any person, partnership, or corporation, either public or private, to carry out the purposes of this chapter, and engage the services of consultants on a contractual basis for rendering professional and technical assistance and advice; procure insurance against any loss in connection with its property and other assets and operations in amounts and from insurers as it deems desirable; contract for and accept gifts or grants in any form from any public agency or from any other source; adopt rules governing the procurement and purchase of goods, services, and construction, subject to the requirements of the Hawaii public procurement code; enter into cooperative agreements, easements, subleases, or other contracts, as necessary, with any state agency, county agency, or private landowner; contract for executive and administrative employee services; call upon the attorney general for legal services or employ its own counsel in conformity with provisions relating to employment of attorneys; do any and all things necessary to carry out its purposes and exercise the powers granted in this law. Requires the authority to be the principal authority for the management of state-managed lands within the Mauna Kea lands; provide oversight and protect traditional and customary Native Hawaiian rights, as set forth in the Hawaii State Constitution, and not unduly burden individuals exercising these rights; establish a process that provides and ensures transparency, analysis, and justification for lease terms of its land and monetary consideration that is equitable, feasible, and financially sustainable; be prohibited from selling, gifting, transferring, or exchanging land under its control; engage in community dialogue, outreach, engagement, and consultation processes, as appropriate, on significant matters on at least an annual basis and more frequently, as needed; and consider various supplemental revenue sources to be deposited into the Mauna Kea management special fund, to the extent permitted by law. -- Establishes provisions relating to transition; management plan. Requires the authority shall have a transition period of 5 years beginning July 1, 2023; provided that all of the initial members have been confirmed by the senate. Provides that during the transition period, the authority shall jointly manage Mauna Kea lands with the university of Hawaii; provided that the authority's day-to-day operations shall be carried out by the center of Mauna Kea stewardship for the transition period established in this provision. Requires the authority to develop a management plan to govern land uses; human activities, other uses, and access, including permitted uses for frequent and seasonal users; stewardship;

HOUSE BILLS THAT PASSED THE LEGISLATURE

education; research; disposition; and overall operations. Requires the authority to be responsible for the establishment of a framework for astronomy-related development on Mauna Kea. Allows the framework to include limitations on the number of observatories and astronomy-related facilities, or an astronomy facility footprint limitation; prioritizing the reuse of footprints of observatories that are scheduled for decommissioning, or have been decommissioned, as sites for facilities or improvements over the use of undeveloped lands for such purposes; and a set of principles for returning the lands used for astronomy research to their natural state whenever observatories are decommissioned or no longer have research or educational value. Provides that commencing on the effective date of this law and until the expiration of the transition period, no new lease shall be issued and no existing lease shall be renewed involving any Mauna Kea lands; provided that, upon the expiration of an existing lease during the transition period, a lessee may continue to hold the land as a holdover, subject to any terms and conditions as may be mutually agreed upon by the authority and university of Hawaii. -- Establishes provisions relating to authority after transition period; and astronomy development; declaration of policy; reserved viewing or observing time and other requirements. Provides that it is declared that the support of astronomy consistent with this provision is a policy of the State. Report to the legislature. -- Establishes provisions relating to advisory groups. Requires the authority to establish advisory groups to advise the authority in its management of Mauna Kea. -- Establishes provisions relating to annual report. Annual report to the legislature. -- Establishes provisions relating to access and use; restrictions; orientation; entryway. Allows the authority to limit commercial use and activities of the Mauna Kea lands and may adopt rules to designate areas for permissible use. Allows the authority to require an application for all recreational uses, including fees, and create guidelines on potential limits by monitoring the social, safety, and conservation impacts of recreational use over time. -- Establishes provisions relating to lease provisions; generally; rules; contested cases; Mauna Kea management special fund; and issuance of bonds. -- Amends provisions relating to employment of attorneys; and civil service and exemptions. Exempts positions under the authority from civil service requirements. -- Requires an audit of the Mauna Kea stewardship and oversight authority. -- Transfers rights, duties, and positions from the university of Hawaii to the authority. -- Requires the university of Hawaii shall commence and complete the timely decommissioning of the California Institute of Technology (Caltech) Submillimeter Telescope and the university of Hawaii at Hilo Hoku Kea Teaching Telescope as determined by the Mauna Kea stewardship and oversight authority. -- Appropriation to the Mauna Kea stewardship and oversight authority for startup and transition planning costs for the Mauna Kea stewardship and oversight authority, including the hiring of 1 full-time equivalent (1.0 FTE) executive assistant position, who shall also serve as secretary to the authority, and who shall be exempt from civil service law, to support the Mauna Kea stewardship and oversight authority. -- Appropriation to the university of Hawaii at Hilo for K-12 public education programs in astronomy-related fields of learning at the university of Hawaii at Hilo, Imiloa astronomy center. -- Provides that on the close of business on June 30, 2028, all moneys in the Mauna Kea lands management special fund shall be deposited in the Mauna Kea management special fund established pursuant to this Act. RELATING TO FINANCING.

Introduced by: Saiki S (BR)

Establishes provisions relating to commercial property assessed financing program. Allows any county having a charter to authorize the authority, pursuant to this provision, to offer a commercial property assessed financing program within its jurisdiction and to contract with the authority for that purpose, and any county having a charter may enact its own commercial property assessed financing program pursuant to this provision and provisions specified. Requires the authority, as the administrator of the commercial property assessed financing program, to coordinate with each county to bill and collect a non ad valorem special tax assessment on a benefitted commercial property as a repayment mechanism on the real property tax bill or stand alone bill. Prohibits the non ad valorem special tax assessment on a benefitted commercial property from being a generally applicable tax upon the real property but shall be collected in the same manner as real property taxes as a result of a benefit to the commercial property owners for qualifying improvements. Requires the authority to design a commercial property assessed financing program authorized under this provision and provision specified that addresses market needs while attracting private capital and that shall, at a minimum, include the specified elements. -- Amends provisions relating to improvement by assessment; financing and changes its title to improvement by assessment; financing; commercial property assessed financing program. Requires the commercial property assessed financing program to be administered by the Hawaii green infrastructure authority. Allows a commercial property owner to apply to a commercial property assessed financing lender, approved by the authority, for property assessed financing to pay the cost of qualifying improvements and enter into a commercial property assessed financing contract with a commercial property assessed financing lender and the authority. Requires costs incurred for qualifying improvements to be levied and collected by each county, as provided in provisions specified, as a non ad valorem special tax assessment on the benefitted commercial property. Requires the authority, on behalf of the State, to authorize commercial property assessed financing assessment contracts as instruments of indebtedness in the form as may be prescribed by the authority. Requires commercial property assessed financing assessment contracts authorized to finance qualifying improvements, when the only security is the non ad valorem special tax assessment levied against benefitted or improved commercial property, to be excluded from any determination of the power of the State to issue general obligation bonds or funded debt for purposes of section 13 of article 7 of the state constitution. Allows any county having a charter to enact an ordinance, and to amend the same from time to time, to establish a special improvement program containing the same elements as the commercial property assessed financing program authorized under law specified and provision specified, except that any program that is established shall be administered by the county in lieu of administration by the authority. Requires the county to assume all of the responsibilities of the authority provided in law specified and provision specified, including determining qualifying improvements eligible for property assessed financing. Allows a commercial property owner to apply to the county for property assessed financing to pay the costs of qualifying improvements and enter into a commercial property assessed financing assessment contract with an approved commercial property assessed financing lender and the county. Requires costs incurred for qualifying improvements to be levied and collected by each county, as provided in provision specified, as a non ad valorem special tax assessment on the benefitted commercial property. Allows the county to issue revenue bonds to finance or

Amends provisions relating to nondiscrimination on the basis of actual gender identity or perceived gender identity; coverage for services under the insurance code law and under the benefit societies law. Prohibits an individual or group accident and health or sickness policy, contract, plan, or agreement; an individual or group hospital or medical service policy, contract, plan, or agreement; that provides health care coverage to discriminate with respect to participation and coverage under the policy, contract, plan, or agreement against any person on the basis of actual gender identity or perceived gender identity. Provides that discrimination under this provision includes; denying, canceling, limiting, or refusing to issue or renew an insurance policy, contract, plan, or agreement on the basis of a transgender person's or a person's transgender family member's actual gender identity or perceived gender identity; demanding or requiring a payment or premium that is based on a transgender person's or a person's transgender family member's actual gender identity or perceived gender identity; or designating a transgender person's or a person's transgender family member's actual gender identity or perceived gender identity as a preexisting condition to deny, cancel, or limit coverage. Requires the medical necessity of any treatment for a transgender person, or any person, on the basis of actual gender identity or perceived gender identity to be determined pursuant to the insurance, hospital or medical service policy, contract, plan, or agreement and shall be defined in accordance with applicable law. Prohibits an insurer or mutual benefit society to apply categorical cosmetic or blanket exclusions to gender affirming treatments or procedures, or any combination of services or procedures or revisions to prior treatments, when determined to be medically necessary pursuant to applicable law, only if the policy, contract, plan, or agreement also provides coverage for those services when the services are offered for purposes other than gender transition. Requires each individual or group accident and health or sickness policy, contract, plan, or agreement; each individual or group hospital or medical service policy, contract, plan, or agreement to provide applicants, policyholders, and members with clear information about the coverage of gender transition services and the requirements for determining medically necessary treatments related to these services, including the process for appealing a claim denied on the basis of medical necessity. Requires any coverage provided to be subject to copayment, deductible, and coinsurance provisions of an individual or group accident and health or sickness policy, contract, plan, or agreement that are no less favorable than the copayment, deductible, and coinsurance provisions for substantially all other medical services covered by the policy, contract, plan, or agreement. -- Amends provisions relating to nondiscrimination on the basis of actual gender identity or perceived gender identity; coverage for services under the health maintenance organization act law. Provides that discrimination under this provision includes denying, canceling, limiting, or refusing to issue or renew an insurance policy, contract, plan, or agreement on the basis of a transgender person's or a person's transgender family member's actual gender identity or perceived gender identity; demanding or requiring a payment or premium that is based on a transgender person's or a person's transgender family member's actual gender identity or perceived gender identity; and designating a transgender person's or a person's transgender family member's actual gender identity or perceived gender identity as a preexisting condition to deny, cancel, or limit coverage. Requires the medical necessity of any treatment for a transgender person, or any person, on the basis of actual gender identity or perceived gender identity to be determined pursuant to the health maintenance organization policy, contract, plan, or agreement and shall be defined in accordance with applicable law. Prohibits a health maintenance organization to apply categorical cosmetic or blanket exclusions to gender affirming treatments or procedures, or any combination of services or procedures or revisions to prior treatments, when determined to be medically necessary pursuant to applicable law, only if that the policy, contract, plan, or agreement also provides coverage for those services when the services are offered for purposes other than gender transition.
