## FOREWORD

This publication sets forth all of the requests made by the Hawaii State Legislature during the Regular Session of 2023 to agencies and officials of the federal, state and county governments and of quasi-public and private agencies. These requests are contained in acts enacted by the Legislature or bills passed. These acts or bills include specific requests for submission of information back to the Legislature, excluding annual and other reports requested on an indefinite basis. (New, first-year annual reports are included in this publication). These requests are also contained in resolutions adopted by the Senate or House of Representatives or by both bodies of the Legislature. Dates by which reports and other responses are expected are indicated when specifically set by the Legislature. The names of the agencies involved in the conduct of a study or the execution of a request are underscored.

For the reader's convenience these legislative requests are also grouped together by agencies (see agency index); as well as by subject matter (see subject index).

Standard abbreviations used in the text are:

SB	-	Senate Bill
SD	-	Senate Draft
SR	-	Senate Resolution
SSCR	-	Senate Standing Committee Report
HB	-	House Bill
HD	-	House Draft
HR	-	House Resolution
HSCR	-	House Standing Committee Report
CD	-	Conference Draft
CCR	-	Conference Committee Report

The word "filed" appended to certain committee reports denotes that the committee report is separated from the bill.

TUTORING SERVICES, BOARD OF EDUCATION, DEPARTMENT OF EDUCATION, REPORT. Requests the Board of Education to produce a report, in partnership with the Department of Education, on increasing access to tutoring services within and outside of Hawaii's K-12 public schools.

Resolves that in preparing the report, the Board of Education is requested to:

- (1) Assess student access and equity regarding tutoring services in the Hawaii public school system;
- (2) Assess the remaining amount of COVID-19 relief funds allotted via the federal Coronavirus Aid, Relief, and Economic Security Act, federal Elementary and Secondary School Emergency Relief Fund, and federal American Rescue Plan for tutoring purposes;
- (3) Recommend methods to support schools' efforts to engage the community and hire in-person tutors where possible with tutoring sessions occurring on campus and during school hours, with individualized virtual tutoring available in the event that there is not enough staff for full in-person tutoring;
- (4) Articulate how funds can be prioritized for schools that serve predominantly low-income populations, especially schools that qualify for Title I funding, in rural or remote areas that may struggle to find in-person tutors and onsite school interventionists and for schools experiencing academic distress;
- (5) Include how students not attending a school described in paragraph (4) but who still require assistance to recover from COVID-19 related learning loss, including students with special needs, can access tutoring; and
- (6) Include an examination of how a fund or reimbursement process could be established for students to access private tutoring in the event that their school is not offering an on-campus or virtual program.

RESIDENTIAL CONDOMINIUM PROPERTY INSURANCE, CAPTIVE INSURANCE STUDY. Requests the Department of Commerce and Consumer Affairs to survey the applicable association of apartment owners for each of the three hundred nine condominium properties that are subject to the requirements of Honolulu Ordinances Nos. 19-4 and 22-2 to determine:

- (1) Whether the captive insurance approach of Massachusetts may offer a practical means of addressing the skyrocketing insurance premiums for each applicable condominium property;

- (2) Whether the association of apartment owners has either 10 filed a notice of its intention to install automatic fire sprinkler systems in individual units within the applicable condominium property or, before September 2022, undertaken a life safety evaluation conducted by a licensed design professional;
- (3) If the association of apartment owners has conducted a life safety evaluation in lieu of installing or retrofitting a sprinkler system, whether the condominium property has received an acceptable score or sustained increased property insurance premiums since 2020, or both; and
- (4) If the association of apartment owners has filed a notice of its intention to install or retrofit sprinkler systems in individual units, whether the condominium property has sustained increased property insurance premiums since 2020.

Resolves that, no later than six months after the adoption of this measure, the Department of Commerce and Consumer Affairs is also requested to compile the information received from the survey responses and submit to the Legislature an interim report containing the compiled information; provided that, for any condominium property that has sustained increased property insurance premiums since 2020, the report shall include the percentage by which the condominium property's insurance premiums have increased each year from the prior year during this period.

Resolves that, no later than twenty days prior to the convening of the Regular Session of 2024, the Department of Commerce and Consumer Affairs is also requested to submit to the Legislature a final report of its findings and recommendations, including any proposed legislation, regarding the appropriate scope of a study analyzing whether implementation of a captive insurance system in the State that is modeled after the captive insurance system of Massachusetts would adequately and appropriately address the State's residential condominium property insurance needs.

Requests the Department of Commerce and Consumer Affairs to share the information compiled pursuant to this measure with, and include in its final report to the Legislature recommendations from, condominium property management companies, the Hawaii Captive Insurance Council, Hawaii Council of Community Associations, Kokua Council, and the Hawaii Chapter of the Community Associations Institute.

- (1) The total and annual average amount of fees, court costs, fines, and restitution that are assessed, collected, waived, and outstanding in cases against minors for each of the last five years; and
- (2) For the circuit, family, and district courts in each judicial district, a description of each fee, court cost, or fine that can be assessed in cases against minors, and their respective amounts.

Requests the Office of the Administrative Director of the Courts to submit a report of findings and recommendations to the Legislature no later than twenty days prior to the convening of the Regular Session of 2024.

(SSCR 1987)

**SR 203 SD1**

AFFORDABLE HOUSING, EXEMPTION. Urges the Hawaii Housing Finance and Development Corporation to adopt administrative rules to create a process under section 201H-38, Hawaii Revised Statutes, for housing projects exclusively occupied by Hawaii residents who own no other real property.

Requests that this process to be in addition to, and not in lieu of, current processes under the Hawaii Administrative Rules that require half of all units to be available for buyers whose income is at or below one hundred forty percent of area median income.

(SSCR 1494)

### **SR 204 SD1**

RENTAL HOUSING REVOLVING FUND, DWELLING UNIT REVOLVING FUND, LOW-INCOME HOUSING TAX CREDITS, PRIORITIZATION. Urges the Hawaii Housing Finance and Development Corporation to prioritize the allocation of funds from the Rental Housing Revolving Fund, Dwelling Unit Revolving Fund, and low-income housing tax credits for projects that will make the most efficient use of taxpayer funds and address the most urgent State priorities.

Urges the Hawaii Housing Finance and Development Corporation to prioritize the allocation of funds from the Rental Housing Revolving Fund and Dwelling Unit Revolving Fund to be used to enhance credit and guarantee and insure loans that private financial institutions make to developers of housing that is exclusively for Hawaii residents who are owner- or renter-occupants and who own no other real property.

Urges the Hawaii Housing Finance and Development Corporation to revise the Low-Income Housing Tax Credit Program's Qualified Allocation Plan to prioritize the development of projects that will be owned by the State, whether outright or through a right of first refusal and purchase option.

Resolves that, with respect to the Qualified Allocation Plan and the criteria point system developed by the Hawaii Housing Finance and Development Corporation, the Corporation is further urged to:

- (1) Add a new criteria category that allows for up to twenty percent of the maximum one hundred twenty points on the application criteria point system to be allocated to projects offering to convey ownership of the finished project to the State or an organization obliged to use all financial surpluses generated by the project to construct housing;
- (2) Not award additional points for developer fees that are under twelve percent; and
- (3) Prioritize applicants who have demonstrated accelerated full repayment into the Rental Housing Revolving Fund of past Rental Housing Revolving Fund loans.

Urges the Hawaii Housing Finance and Development Corporation, in its awarding of funds from the Rental Housing Revolving Fund, to prioritize projects that are owned by the State or an organization obliged to use all financial surpluses generated by the project to construct additional housing.

Requests the Hawaii Housing Finance and Development Corporation to amend its administrative rules relating to the Rental Housing Revolving Fund to:

- (1) Add a new criteria category that allows for up to twenty percent of the maximum two hundred fifty points on the application criteria point system to be allocated to proposed projects owned by the State or an organization obliged to use all financial surplus generated by the project to construct housing; and
- (2) Prioritize applicants who have demonstrated accelerated full repayment of past state housing loans.

Urges the Hawaii Housing Finance and Development Corporation to promote supportive housing in the State's Low-Income Housing Tax Credit Program.

Urges the Hawaii Housing Finance and Development Corporation to amend the 2023-2024 Qualified Application Plan for the Low-Income Housing Tax Credit Program to facilitate the development of supportive housing and housing for individuals in other high-priority categories, including but not limited to individuals on the waitlist for Department of Hawaiian Home Lands and public employees.

(SSCR 1496)

#### **SR 205 SD1**

HOME LOANS, GRANTS. Urges the Hawaii Housing Finance and Development Corporation to issue loans or grants to buyers in high priority housing categories, including but not limited to:

- (1) Buyers with incomes above sixty and at or below one hundred forty percent of the median family income for the State;
- (2) Owner-occupants who own no other real property;
- (3) Individuals on the Department of Hawaiian Home Lands waitlist; and
- (4) Public employees.

Requests moneys allocated for the loans or grants to prioritize projects utilizing the lowest average loan amount as a percentage of unit sale price.

Requests moneys received upon repayment of the loans or grants to be used for the issuance of new loans or grants to other buyers in high priority housing categories, including but not limited to those categories above.

(SSCR 1498)

#### **SR 215 SD1**

PALILA, DECLINE, MAUNA KEA, HAWAII ISLAND. Requests the Department of Land and Natural Resources to investigate the causes of palila decline and to update and make public key information, including facts and statistics, related to palila decline on Mauna Kea.

Requests the investigation to include the examination of the results of the federal court mandate to eradicate sheep on Mauna Kea and protect palila populations.

Requests the Department of Land and Natural Resources to submit a report of its findings and recommendations, including any proposed legislation, to the Legislature not later than twenty days prior to the convening of the Regular Session of 2024.

(SSCR 1450)

#### **SR 216**

CESSPOOLS, CONVERSION, PLAN, FINANCIAL STRATEGY, COUNTIES. Requests each county to develop a comprehensive integrated wastewater management plan and financial strategy to upgrade or convert cesspools located within its respective jurisdiction by 2050.

Requests each county to include the following information in its comprehensive integrated wastewater management plan and financial strategy:

- (1) Planned connections to both centralized public and private treatment systems;
- (2) Locations where individualized treatment systems will be needed;
- (3) Locations where smaller-scale cluster treatment systems may be utilized;

- (4) Individual treatment system needs for homes having cesspools, including whether there is appropriate existing infrastructure capacity to handle the conversion of cesspools by 2050; and
- (5) Financial needs, funding mechanisms, and financing strategies to assist with cesspool conversions.

Requests each county to submit its respective comprehensive integrated wastewater management plan and financial strategy, including any proposed legislation, to the Legislature no later than twenty days prior to the convening of the regular session of 2024.

(SSCR 1643)

#### **SR 217**

PERFLUOROALKYL AND POLYFLUOROALKYL SUBSTANCES WORKING GROUP. Requests a Perfluoroalkyl and Polyfluorinated Substances (PFAS) Working Group be formed with representation from all levels of government, including but not limited to the Department of Health, Department of Budget and Finance, Hawaii State Energy Office, and each of the counties, to develop a program to phase out the use of PFAS in the State.

Requests the PFAS Working Group to submit an initial report of its findings and recommendations, including any proposed legislation, to the Legislature no later than twenty days prior to the convening of the Regular Session of 2024, and a final report no later than twenty days prior to the convening of the Regular Session of 2025.

(SSCR 1653)

#### **SR 219 SD1**

COLLEGE OF TROPICAL AGRICULTURE AND HUMAN RESOURCES, UNIVERSITY OF HAWAII, EXTENSION SITES, WORKING GROUP. Requests the University of Hawaii at Manoa College of Tropical Agriculture and Human Resources to convene a working group to evaluate updating its cooperative extension sites.

Requests the working group to submit a report of its findings and recommendations, including any proposed legislation, to the Legislature no later than twenty days prior to the convening of the Regular Session of 2024.

Requests the College of Tropical Agriculture and Human Resources to submit a report of its work, including the status of College of Tropical Agriculture and Human Resources' cooperative extension sites and staff, to the Legislature no later than twenty days prior to the convening of the Regular Session of 2024.

(SSCR 1552)

#### **SR 220**

ORGANIC PESTICIDES, STUDY. Requests the Department of Agriculture is to:

- (1) Study organic pesticides that are currently licensed or authorized for use in the State; and
- (2) Find organic pesticides that are not currently licensed or authorized for use, or otherwise prohibited, in the State, and test those organic pesticides for authorized use in the State.

Requests the Department of Agriculture to submit a report of its findings and recommendations regarding organic pesticides, including any proposed legislation, to the Legislature no later than twenty days prior to the convening of the Regular Session of 2024.
